At the grave of Bishop Boniface Sauer, O.S.B., of Wonsan Abbey, the Rev. Patrick Cleary M.M. of Ithaca conducted burial services in Korea after the discovery of the burial place, according to an NCWC News Service dispatch from Seoul.

Bishop Sauer was known to many of his classmates and former students who were educated with him in his native Fulda, Germany and now residing in St. Michael's, Our Lady of Perpetual Help and St. Francis Xavier parishes. Among these is Otto Steinwachs of 1661 Clinton Ave. North.

In December, 1934 while a guest in Rochester of Archbishop Edward Mooney, Bishop Sauer also visited his former classmates.

Conducting the services for Bishop Sauer and two of his priests, Fathers Rupert Klingels and Damasus Paik, was the former Ithaca native, Father Cleary who is a Maryknoll missionary and has recently been assisting the U.S. Armed forces in Korea.

GRAVES of the prelate and his two priests were reported found through information supplied by the Korean doctor who attended them in their illness. They all died in Pyongyang prison before the outbreak of the present war.

A Korean Benedictine lay Brother went to the cemetery with the doctor and exhumed the bodies. He removed them to a place apart, where he was said to have put markers on the graves.

Father Cleary was accompanied to the burial place by the Rev. Joseph Oh, a Korean priest of the Tajon Vicariate Apostolic and the Rev. Victorinus Yoon, of the Pyongyang Apostolic Vicariate.

Several Sisters of the native Community of Our Lady of Perpetual Help also went along. The Korean lay Brother went along as a guide to point out the graves.
