Mr Sukarno, gesturing ic. he resorts to an out-rigger tually all Christmas merchandise. Catholics, He spoke out on the impatiently, called for their re- canoe to make the rounds of his PREMIER STALIN'S birthday. maissionary faithful.

Communist forces in the saretite countries backeracked this year in their campaign to de-emphasire Christmas, State Department observers who have been watching the situation closely report.

The Voice of America in 1949 broadcast the charge that the Constitutions were using Josef Stalin's birthday which falls on Dec. 21, as an attempted substitute for Christmas.

THE CHARGE appearently hill home with more force than the t Communists expected. The cerebration of Stalin's birthday was so artifical expecially in Czerno slovakia where 'remerzious effort was put into it by party workers, that it became the butt of rull

This year the communists drastically changed then tactical They apparent, decided they will have to live with the istinas at least for a little while songer. The Marxists greatly underestimated the depth to which Christmas customs and tradition have per meated the life of Crechs, Poses, Hungarians and other saterate peoples

Typifying this attitude was the news item carried in the most recent issue of the Polish Infor mation Bulletin published by the Polish Embassy here

UNDER THE title "Horiday Preparations' it reported that the first consignment of 100 000 Christmas trees were placed on sale in Warsaw on Dec 6 as coop stores announced a plentiful supply of festive foods was ready for shoppers.
