Only Free Man Can Evaluate Freedom Says Psychologist

The Man who is free is capable of making the right choice." Pere Noel Mailloux, O.P., told 200 persons at the Thomas More Lecture Forum Tuesday evening in the Shera-tos Heet.

Tary, A Courier Advertiser TODAY!

Speaking on Freedom Man's Greatest Arbitetiment Failer Malloux quoted St. Thomas Aquints as maying, that man faces the resonably of getting away from indeterminism and harmonizing the factors of a situation when more than one factor in involved.

in the child before the age of believed to results away from the child before the age of independent and immoral films, is sucception at its month. The plant when the child is challenged and the rigid reactions seem inside the site and in the rigid reactions seem inside the rigid reactions seem inside the rigid reactions seem inside. The allowed the rigid reactions seem inside the rigid reactions seem inside. the speaker said,

tion of mature free activity."

the mechanistic psychologists these United States of America, were true," Pere Mailloux stated, Mechanistic psychology teaches that freedom is a myth and that man's activities are not the result of free will but of physical necessity, he declared.

To further stress the fallacy of the mechanistic point of view,

cording to the speaker, is to many of our citizens." the highest good. Creativeness and originality are products of freedom and although the free man is capable of making the right choice he cannot claim impercability. He will not try to minimize his faults or excuse minimize his faults or excuse himself, but rather recognize his state Board of Regents supreme.

YESTERDAY OUR daily lan woman as moranic and negative rotic and, in matters of religion, famatical. Only a perverted mind could so misrepresent so noble a race of woman.

The law demanded this decision.

This interpretation makes the state Board of Regents supreme such a crime as "The Miracle."

Special Research Researc invite men to choose the way to errors and strive to correct them. in the licensing of films. the gathering was told.

The Rev Harold C. Gardiner. S. J., literary editor and book review editor of America will speak Tuesday, Feb. 13. His subject, "The Great Books and the Christian Tradition," promises to | tion picture division of the bring stimulating and critical State Education Department. evaluations of our reading And in Morning "The Miratio" habits. The Forum is sponsored that board of censurs certainly
