#### WHAT'S DOING AT THE DALYS

Boon To Sitters; Not for Mothers

By MARY TINLEY DALY

We don't have a television at our house. Like so many tional Catholic Welfare Confer ism and other means of comother things, it's in the realm of someday, and way down ence observer at the United Na munication, who know something

The other night we got a new angle on television—the sitter's attitude. A sudden rain came up after dinner and Elleen was taking care of chill growing more prevalent; tele-teaching Sisters and lay women, train them." she declared. dren a lew doors away, so Pat Vision eyes, Those seven pairs At the same time she urged given and I walked over with umbrells of eyes were glued to the screen ing students already here, parand rubbers for her. At first we thought we had the se if drawn by some powerful ticularly those in secular or nonwrong house. There was just one magnet and seeming almost to Catholic colleges, "hospitality eerle light burning, the way you protrude from their sockets.

The eyes never once left the Deave a house with a small welcoming light. We rang the door conter of attraction—hardly bell and Elicen came on tiptoe to seemed even to blink—but pretty soon childish muscles "Sh-sh" she whispered, "Want began to call for motion. It's to come in and see a program?" not mittral for young, growing Following the cue, we meaked bodies to be lisert for long in quietly and sat in the darkperiods of time and nature

was meeting herself. For a while we watched the The ones who were lying down screen-an old cowboy movie sat up the ones who were sitting that wouldn't have gotten by at down stood up-but those seven pairs of eyes held that steady As our eyes grew accustomed stare during the whole perform-

to the light, or lack of it, we appear stopped looking at the show-MIGHT-THIRTY, and certainly which had become a pupper show time that the younger ones should be in bed. What kind of a by this time-and looked inliter was Elleen?

Evidently Elicen sensed her THERE WERE seven small responsibility, for she was pickchildren altting and lying on the ing up a sound-asteep two yeardoor in grotesque positions, old and carrying her up to bed. Some were on their stomachs, saked. "Sitting, I mean—with "See how easy it is?" she feet waving in the air; others television?"

"Silling with television" in the right expression if you They had only one thing in happen to like sitting in a dark room with pawboys and pup-pets and goggio-cycl children for companions.

> The show went on and Pat ine I loft. "What do you think of it. Pat?" maked as we came into our wn lighted living room.

"Makes it easy on sitters," sho

"ALMOST LIKE knock-out drops. .. I was thinking of the Prefude To Spring Woman Named wo-year-old who had gone completaly and the others dozing off o the blurring sights and sounds coming from that mahogany box.

"Bet mothers don't do that," Past said. "It would mean no more bestime stories and rammes and none of those exoltang Bible stories your grandmother used to tell you and you told us-about Daniel and David and Ruth and all the Albers, Sure had it over the cowbey sould we saw tonight."

As an occasion opiate when a alitær is in charge television may be all right. Am a regular bedtime procedure

Institutions Named Repplier Will

Philadelphia (NC) Agnes Repplier, famous essayist, left estate of more than \$100,000 trust for her niece. Upon the ilece's death, two Catholic homes for children will share half of the estate.

Her niece is the wife of Dr Lightner Witmer, professor ereritus at the University of Pennaylvania. The two Catholic institutions are St. Joseph's-Gonaga Home (for girls), and St. Joseph's House for Homeless industrious Boys, both in Philadel-

Among Miss Repplier's prized personal belongings which become part of the estate is the Lactare Medal of the University. of Notre Dame, awarded to her

## To 'America' Post

Announcement of the new appointment was made by the Rev. Robert C. Hartnett, S.J., editorin-chief of America and of the America Press. Miss Vlymen has held posts on

active duty as an Air Force cap-

America's business staff for the past five years. Before coming to the Jesuit-edited review she worked on the media staff at Kenyon and Eckhardt Advertis ing Agency. She attended the American Academy of Dramatic Art and was graduated from Manhattanville College of the Sacred Heart in New York.

Captain Murphy, now on leave of absence from the America Press, has been advertising sales manager of the organization for the past three and a half years. During his tenure advertising sales increased more than 150 per cent.

During World War II he was awarded the Silver Star, Distinguished Flying Cross with cluster. Air Medal with four clusters and Presidential Unit Citation with cluster.

business was nothing compared to his happiness in help-Another holiday practice

worth imitation elsewhere was the thought provoking calendar distributed by the Family and Parent Education Committee of th Diocesan Council.
