Good Friday Legal Holiday Bill Backed By Area KSTJ

Immediate action regarding two bills before the State Legislature was urged upon members of the New York Grand Commandery, Knights of St. John in the Rochester area, this week. One of the bills would make Good Friday a legal holiday.

The State Legislative Committee of which Norbert P Abend of Syracuse is chairman, has instructed all members to address communications to their local representatives urging passage of Assembly Bill Int. No. 2296, sponsored by Assemblyman Clancy and Senate Bill Int. No. 1979 sponsored by Senator Conrad. These bills are designed to establish Good Friday as a legal holiday.

The 1950 Rochester convention of the Knights of St. John adopted a resolution urging legislation declaring Good Friday a legal holiday and authorized and directed its legislative committee to take immediate action in that respect.

The convention held here also took a definite stand in opposition to any attempt which might be made to "liberalize" the divorce laws of the State of New York.

Member commanderies were instructed, this week, to write letters to their local representatives and to D. Mallory Stephens, chairman of the Ways and Means Committee, State Assembly, Albany, N. Y. opposing Assembly Bill Int. No. 2035 — the Gordon Bill, which is designed to establish a commission to study the causes and effects of divorce and other marital matters.
