AMONG WOMEN

Power of Written Word

I, MARY LENHON SNYDER

In this column I have commented on the surprising variety and volume of correspondence that has been mine since I have been writing for the Courier-Journal. Some residers write to tell of things which they are doing which they believe sught be helpful to others; some to tell that they bave tried an idea outlined

here and to report on its recepthat expression-da-law) who although she lives in another dio One of the most surprising recese is a loyal reader of the

actions has come from the Mochester Courier-Journal. column I wrote on lighting a "So many plous devotions Hiersed Candle for breakfast after having received Holy Com and penetices are intended for families, but you don't need a munica. I think the reason for family to light a Blamed Candle for breakfast, I light the widespread appeal of this practice is wall summed up in a one every Sunday, and I have got neveral others to do the letter from one of my relatives

by marriago them unfortunate is Another auggestion recently made in this column was the con struction of small shrines in dish gardens. In Auburn Mrs. Fredcrick L. Keesce told a recent gathering of the Catholic Daughgathering of the Catholic Daugh- Beatification with the idea that she has talked the project over with an Auburn To Draw Pilgrims florist who has agreed to arrange a window featuring small shrines

mately three inches high and are Mother Coudere was the foundshopping by estalogue.

If any reader knows of a mearby store where such statuattes can be purchase, we would welcome all information on the subject.

Neither the suggestion for lighting Blessed Candles or for constructing shrine.dish gardens was original with me, but merely thus the readers who write or ned. All retreatants who have through which he had gone himwho tell me of their work have in this report proof of the power of the written word.
