

# SEES CHARITY...

you neighbor - when you help the Red Feather!

A story before bedtime, the sense of feeling loved — priceless gifts — and YOU can give them!

The working mother knows her child is safe in the day nursery your gift helps maintain.

Someone to listen; companionship replaces the loneliness of age, under a Red Feather roof.

Red Feather Hospitals and Clinics care for the sick and build good health — with your help.

Courage comes easier when there's a visiting nurse to help. 12,886 Persons depend on her — on you!

Therapists of the Cerebral Palsy Association work to make a useful life out of a crippled start.

USO is back in USA and overseas. Your help makes all the difference to homesick men in uniform.

Useful skills and lasting friendships — valuable hours your gift helps make possible.
