If the order is long in com-ing the Mirs, takes out her com-puter, the Mir, takes the evening There's been a sort of game serinected with those Fridays. In paper out of his pocket and of-form the second section to the every restaurant we'd look around and try to spot the L.M.P's --Mrs. They sells back-be with the Loug-Married Pairs, It's easy the front page, she with soto apot them: they study the diety. menu carefully, put in their order

"Might as well stay home," we and sit back in silence. The wild had agreed long ago and resolved that even though we were long MEED HELP? married we'd try not to look like

> Come to the No But recently Fridays have been Anthemy and St. complicated at our house. When the push let up a bit the Head of w Teesdev 12:15 and 5:15.

IT WAS like old times to take leisurely bath at 5 o'clockusually the rush hour-dress up

routine was fun too, and we pro- petition, and ten individual cended to our favorite restaurant, awards were awarded members of its staff. poured over the menu and sank into silence.

I looked around the room; searching for a familiar face, ence in presenting a compact, then saw the funniest hat! "Don't well-edited memory book. Certifilook now," I whispered. And the cates of merit went to three same thought struck us both at staff members. the same time.

"Wender who's pointing us out as an L.M.P.T" the Hend of the House asked. "Want a eeckiall?

"Mure do," I answered, putting the compact back into my bag and noticing that the Mead of the Mouse stuck the evening paper back into his coat pocket.

As we were drinking the cock-

A discussion of Home and School Associations leads to some practical problems. Parents and teachers are very busy people who have learned through education and experience to pack as much work as possible into a working day. With this in mind a special need for careful program-

ming can be seen. First of all, it is well to remark that the Natours to meighboring historic and religious shrines, sports intional Committee of Catholic Home and School Associations struction classes and investigarecommends not more than six tion of neighborhood recreation programs a year.
