

Printing with Prestige

MARTIN G. MOLL
President and General Manager

WE SERVE EDUCATION TOO!

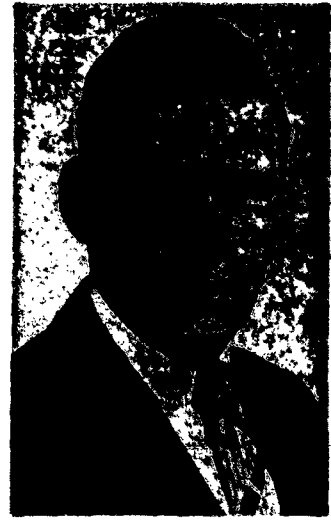

Printing is the preservative of all the arts. For, as Frederic Goudy says, "Type is the Voice of Today, the Herald of Tomorrow... the Leader Army that conquers the world."

The modern printer and publisher works hand in hand with the educator towards their common goal, the development of an enlightened and informed citizenry, morally conscious of their rights and responsibilities before God.

Truly the printing press is the schoolmaster of the common man.
