Home Idea Center Opened To Public

The public is invited to visit the new Home Idea Center opened at the Rochester Gas and Electric Building, 69 East Avenue, Rochester. The Center includes two modern kitchens, one gas and one electric, a laundry and a completely "light-conditioned" living room.

It will be open to the public every weekday from 9 a. m. to 5 p. m. and will be used to demonstrate the newest features in home planning and arrangement.

The Home Idea Center will feature demonstrations of "light-conditioning" which is the science of getting the greatest possible lighting efficiency and at the same time adding to the attractiveness of the room.

Free copies of a booklet called "See Your Home in a New Light" are available at the Center. These booklets show the proper placement of lamps in the home as well as ceiling, and various types of indirect lighting.
