Most Holy Rosery Nour Bishop has added Rosery Most!

Rosary devotions will be held in every parish church. The true Catholic will make a real effort to attend these public devotions and to recite the resary in the family circle before a Rosary Shrine. Many of our people will continue during October their regular practice of joining in the Radio Rosary from the Shrine at St. Francis of Assissi Church.

Remember the Holy Father has spoken to you, your Bishop has addressed himself to you. You with your friends and neighbors will make up the great Rosarian Army that will help to bring to our distracted world supermal help from Mary, the Queen of the Most Holy Rosary. Yours for a prayerful

Geneva's Pride

The City of Geneva may well be proud of the attention it has given to Catholic edueation down through the years. Each parish has had its own parochial school from the beginning. For many years time two marishes have supported a splendid high school. The ambitions of the years were fulfilled in the dedication last Sunday of the additional rooms and auditorium that complete DeSales High School.

Many generations of young men and women have been prepared to go forth into the world blessed with all the advantages of a grammar school and a high school edueation under religious auspices.
