Auburn—Funeral services for Sergeant John Fallat, the first Auburnian to sacrifice his life in the Korean War, were held Saturday, Sept. 29, from the home of his parents, Mr. and Mrs. Frank Fallat, 79 Perry St.

A solemn procession escorted the flag draped casket to the Church of St. Peter and Paul where the Rev. Basil Ocas pastor, sang a solemn Mass of requiem with Prof. Eugene Cebel sky chanting the responses. After the funeral Mass the procession moved to the Memorial City Hall where another brief service was held during which the Old Wheeler bell tolled in tribute to the dead soldier. COLOR GUARDS from various Cayuga County veterans organizations constituted part of the procession. This delegation included: Metro Mayley, Michael Hulick, Andrew Mendezel, Peter Kachnyez, and Paul Fallat.

The burials were: Michael Yaworsky, Michael Lepak, George Gallo, Walter Sroka, Stephen Nemith, and Joseph Hulick.

The buglers were Richard and Charles Jayne while George Bowen and Paul Galliano, drummers, beat muffled time for the funeral procession.

The Auburn recruiting stations were represented by Sgt. Clifford G. Snow and Sgt. John H. Funk of the Marines. Sgt. Thurman F. Naylor of the Army, Sgt. Louis Griffin of the Air Force and Robert Farley of the Naval Electrician's Corps.

For bravery in action during the European conflict, he was decorated with the Silver Star. After his honorable discharge in 1945, Sgt. Fallat worked at the Auburn Button Works and later as a steward at the Ukrainian National Club.

He reenlisted in the Army in September, 1949 and was sent to Japan one month later.

Safe-Driving Test Shown At DeSales

Geneva Students of De Sales High School witnessed safe driving tests September 25. In a specially equipped automobile, Edward S. Adams, safety engineer of the Farm Bureau Insurance Company, conducted the tests with drivers. Major Arthur J. McLean, the Rev. Raymond P. Nolan principal and John Mulvey and Arlene Cosentino seniors.

Before the tests, Mr. Adams spoke to the students emphasizing that the driver must observe the speed laws carefully but, he is not a safe driver if he neglects many other items such as proper lane for a turn, the proper way to turn around, and many other things.

EACH TEST DRIVER was signalled to stop by a red light mounted above the radiator. As the signal flashed the street was marked with a yellow paint but let fire automatically from one of these revolvers mounted on the front bumper.

A second buzzer was fired as brakes were applied and a third when the car stopped.

Distances between the spots were carefully measured to determine how far the car traveled before the driver applied the brakes or the car travelled after the brakes were applied or breaking distance.

John Mulvey and Arlene Cosentino drove the car 20 miles an hour. Father Naylor drove it 30 miles an hour and Major McLean stepped on it at 40.

The safety demonstration was part of a long range program of traffic safety now being conducted by the Farm Bureau Insurance Companies.
