GOD LOVE YOU!

By MOST REV. FULTON J. SHEEN

THE earth does not give back the same seed that was dropped, but a hundred others. Every gift has its return; every sacrifice its blessing; every act of soil dental for the bioly Father's Missions its corresponding grace . . . GOD LOVE YOU to W. I.B. who sends \$50 with the request that Mass be said on all five continents on the same day next month in thanks to the Blessed Mother for a special favor granted . . . "Wang is an orphan—or so we think," writes a priest in Korea." He is eight years old. Ells home is fightened by bombs. He is too timed to eat or sleep in the emergency orphanage set up here. For \$100 we can place him with kindly Catholic foster. parents who will restore his courage". . . A missionary in Iraq writes. "President Truman's Point Four program aims at reviving the arid desert of our country. But we pray for a Point Four Spiritual campaign to retain and to regain countless souls for Christ. You pay for Point Four in your income taxes: will you give one-tenth of this year's tax to a Spiritual Point Four?

MISSION SUNDAY, October 11—The Hely Father's Missions has to support in the foreign missions alone \$2,755 missionaries, 175 leprosaria, 41,000 elementary schools. Give up the: equivalent of a package of cigareties for a month to earn merit for yourself and a little relief to these hexoes of Christ . . . GOD LOVE YOU to R. R. P. R. who sent a statue of Our Lady of Fatima to the Congo Missions. . . . In Madaber, Endis, the people live in grass huis without chimneys or fumishings. The floor is of damp said. Sick people lie here on wooden planks, covered only with rags. Goats share their misery. A pricat here devotes his life to building arnall, decent, dry huta into which the suffering people can be moved. For \$350 he can transplant a whole family: "for \$30 more they will get time added blessing of a well." . . . GOD LOVE YOU to W. V. G. who sends a dividend check to buy sacramental Mass wine and flour for the hosts for a poor priest in the Missions . . . Will those of you who are sick, bed-ridden and suffering make an offering of your crosses with the Great Cross of Our Lord that souls may be won to Him in the Holy Father's Missions.

OVER 70,000 good souls are saying the World Mission Rosary daily for the 1,100,000,000 who have not Jesus and Mary. Upon request, we will bless and send you a World Mission Rosary for an offering of \$20 for the Holy Father's Missions . . . GOD LOVE YOU to M. K. who needed her money to clean up mud after the Kansas City flood and yet sacrificed one dollar to help those in greater distress in the Holy Father's Missions . . . A priest in Burma has had his Church and home looted by the Red flag Communists. He is homeless and without cassocks, books, vestments vessels for his Church For \$375 he can begin again. . GOD LOVE YOU to H. C. who cuts down on buying flowers to S B and M L who denied themselves a vacation, to E. B. who sends high commissions and to V A. K. who makes self-denials that Inclia. Asia, Africa, Oceania may be served in the name of Jesus and Mary . . . The American people spent \$23 per man, woman and child for tobacco last year. The per capita contribution of Mission Sunday last year was 8c If less went up in smoke, the missions would be less broke.

When small is heavy to the National Officers of the Holy Father's World mission Aid Society, the office staff sometimes works on until nine or ten o'clock at might-and gladly, for it means that more money is coming in to help the farflung missionaries in their desperate needs. We will all be gind to work evertime, totting up your gifts: tear out this column, pin your contribution to it and send it to the Most Reverend Fulton J. Sheen, National Director of The Society for the Propagation of the Faith, 100 East Sith Street, New York 16x, New York or your Diocesan Director, Very Rev. Magr. John S. Randall, 50 Chestnut Street, Rochester 4, New York.
