How can the T.V. people reccancile the fact that seventy per-cent of their programs for children are based on crime or vielence, with the sane premise acknowledge in their proposed Code that "evil shall never be presented alluringly nor sympathy be thrown against goodness, hossesty and immocences?

MANY FILMS glorifying criminals now find their way right into our homes. We would not

Popular comedians like Martin and Lewis have blazed a trail for established screen favorites like Red Skelton and the prodigious output of gags which weekly or bi-weekly changes of programs involve, edges them all nearer and nearer to the border line of indecency. Some of them have THE TELEVISION Producers' been way over from the start. "Natural law which is the un-

cuied nor its violation condoned A set of rules and reasons for or induced," says the preamble Yet we get more and more regular broadcasts of various lions of youths, in which the na-
