

Retreat At Bath Hospital Brings Out 600 Veterans

Bath—Approximately 600 veterans made a special retreat conducted by the Very Rev. Augustine J. Aylward, C.S.S.R., rector of the Notre Dame Diocesan Retreat House in Rochester for all the Catholic veterans and disabled ex-servicemen at the U. S. Veterans Administration Center from Oct. 7 to 10.

Pastor Commends Rosary Response

Mornell — A "gratifying" response to the request for attendance at October devotions has been reported by the Rev. Lawrence W. Gannon, pastor of St. Ann's Church.

Father Gannon, at the beginning of the month, requested wholehearted attendance at the evening devotions, which include recitation of the Rosary, Litany of the Blessed Virgin and Benediction of the Blessed Sacrament.

TO FULFILL the practice of the family Rosary, Father Gannon suggested that parishioners attend daily devotions in family groups. The church has been well filled each evening.

This year, the congregation has been singing for Benediction. Father Gannon, at all Masses last Sunday, commended parishioners for their part in making Benediction "more pleasing to God through their singing His praises."

October devotions are held each week day at 7:30 p.m. and at 5 p.m. on Sunday.

St. Francis de Sales

According to custom, the Third Order of St. Francis will receive new members at the October meeting on Sunday, Oct. 28 in St. Patrick's Church, 454 Plymouth Ave. North at 3:30 p.m.

Since the Third Order is a true order and not just a church society, novices choose a name by which they will be known, such as Sister Anne Theresa or Brother Joseph. They are also invested with the cord and scapular which constitute their religious garb.

Many members provide themselves also with the long, brown Franciscan robe in which they have a right to be buried, although in this country, it is rarely worn in public.

AT THIS SEASON, Tertiarics are reminded of their obligation with regard to the Legion of Decency. It is not sufficient merely to stay away from questionable movies or to refuse to buy bad books or magazines; it is necessary to support organizations working for wholesome entertainment and to make known by letter or personal interview the attitude of the God-fearing section of the public with regard to offensive movies, radio, and TV programs, as well as material in the field of literature.

It is just as important, it should be remembered, to command what is good as to complain of the bad. Members of the Third Order, of St. Francis should not be guilty of apathy in this matter, leaders said.

Col. John I. Spreckelmyer who is in charge of the U.S. Facility at Bath and Mrs. Spreckelmyer were present at morning and evening services.

"His splendid courtesy and fine example greatly pleased all," Father Aylward reported after the retreat. "The Protestant Chaplain was very kind in arranging the hours for his service so that the Catholic veterans could make their retreat. An admirable spirit of good will was shown by everyone on the post."
