Communists recently in a certain city of China where the crops hadly needed rain, held a trial of a scarecrow whom they called God. They asked the scarecrow to send rain. When it did not, they ordered a firing squad to shoot "God". The scarecrow broke into a thousand pieces. Then a big cloud appeared in the sky followed by a cyclone and hall so heavy it killed both men and beasts. The Communist papers have said nothing, but our missionaries know this to be true. . . . Do you teach your children to say, "Thank you?" Yes, but do YOU say, "Thank you," when God has given you a special blessing?
