GOD LOVE YOU! By MOST REV. FULTON J, SHEEN

Our Lord said: "It is better to invite the poor to your table than the rich, for they have not the means to return the favor." invite the poor to our God Love You table, and the God Who loves will reward them . . . Christmas is coming. . Instead of buying Aunt Nell or Jimmie the flat iron holder or the ivory golf tee, buy them each a Westd Mission Rosary which we will bless You will help the missions and inspire them to pray for the five missionary continents represented in the five different colored decades. An offering of two dollars with a request will bring you these beautiful resaries . . . Simeon suid a sword would plene the heart of Our Lady. We believe that sword was Our Blessed Lord Himself, who summoned His Mother to be the Queen of Martyry at the Cross. In her name give up something, do without something that she may be better known to the pagans of the world . . .

Our missions want no gifts but sacrifices; then both the giver and the receiver are blessed ... GOD LOVE YOU to Mr. and Mrs. R. B.; the husband baby sits two nights a month, while the wife does extra work in a bank to carn \$7.00 to send the Holy Father's Missions saying, "We know of no other investment that will pay greater dividends." . . . GOD LOVE YOU to the following for their sacrifices for the Holy Father's Missions; to R. B. for \$18 which was to be spent on a dress; to Mrs. G. C. B. for \$12 originally intended for a black purse; to C. J. B. for \$5 saved by not buying a football ticket; to P. E. B. who gave up a glass of beer every night after work and sent \$3; to B. B. for \$3 saved by not ordering a steak dinner; to Mrs. B. G. whose husband has been ill for four months. and despite the fact that she has 5 children, the oldest being eight years, sent \$24.50; to B. G. who gave up cigars for # month and helped the Missions with \$5; to Mr. and Mrs. R. M. K, who disposed of a ring to send \$100 to help spread the faith throughout the world. Pause for a second and think of what sacrifice you will make.

In the past two years, according to Free China official reports, the Communists murdered 13.672.030 persons. One typical case Heads 52 all members of his generation who were related to him were killed, and also all members of his parents' and children's generation. Pray for the missionaries and Catholics in China' Pray, too, for MISSION AIMS the conversion of the Communist Chinese ! . . . GOD LOVE YOU to Esther, who makes her own breakfast over a hot plate, instead of stopping at a drug store on her way to work - and saves fifteen cents a day for the Holy Father's Missions. Think of a little sacrifice you can make each day, like giving up cokes, or cigars, or taxis, in order to send the money to missionaries who have given up everything . . . If you buy a World Mission Rosary that has proved by Pope Pius XII for the not on the box the name of The Society for the Propagation of the Apostleship of Prayer. Faith, you are not helping the missions, you are only helping someone to make money who stole our idea.

In 1951 Federal taxes in this country will amount to \$45 for every man, woman and child in the country. Much of this money goes to provide us with military security: will you give an equal amount towards spiritual security for every member of your family - and give it to the Holy Father's own "pet charity", Worldmission Ald? Tear out this column, pin your family sacrifice to it and mail to the Most Reverend Fulton J. Sheen, National Director of The Society for the Propagation of the Faith, 109 East 38th Street, New York 16x, New York, or your Diocesan Director, Very Rev. Magr. John S. Bandall, 6 Chestnut Street, Rochester, New York.
