Christmas Leper Fund Appeal Cites Victims

"Won't you please help us to help the miserable leper?" This is the 1951 appeal of the Society for the Propagation of the Faith sent out this week by the Very Rev. Major John B. Randall, district director for the Christmas Leper Fund.

With the appeal is included a four-page leaflet in which is included a coupon for sending the nations. Suggested amounts to cover treatments for those afflicted with leprosy, amounts to follow are shown: \$25 for one day's hospital treatment; \$75 for a month's treatment; \$250.00 for 100 days' treatment.

ACTUAL EXAMPLE of leprosy among children was reported in the appeal. The children are charges of Catholic missionaries working in these areas where the disease is prevalent.

Once leprosy was considered incurable, Missionary Randall points out, "and the victim was shunned by friends and family. Abandoned by every one, he lost all hope. Then came Father Damien and the heroic priests and sisters following his example."

Offerings are being sent to the Society for the Propagation of the Faith, 20 Chestnut St., Rochester 4, N. Y.
