Due to the illness of the Rev. Edward A. Walsh of Georgetown University, the Thomas More Series lecture scheduled for him on Jan. 17 at Columbus Civic Center has been postponed to late in February or early in March according to the Very Rev. Magr. John S. Randall, series director.

Father Walsh because of his condition has been denied by his doctors the accepting of any speaking dates until his condition improves.

The next lecture in the series, therefore, will be that of George Sokolsky, noted newspaper columnist, on Feb. 5 at Columbus Civic Center.

Aquinas Grad To Head St. Mary's Training Plan

Dr. John Butler, son of Mr. and Mrs. John J. Butler, 110 Elmwood Ave., was named director of medical education at St. Mary's Hospital to implement the specialized training program linking that hospital with Georgetown University's medical college, St. Ann Aquinas Institute graduate.

The new program was announced by Dr. Leo F. LaPalma, chief-of-staff, in the Courier Journal, Dec. 28 issue.

DR. BUTLER, who will head the Rochester end of the program, recently made a prolonged visit to Georgetown to prepare plans for the operation.

Reformatory Inmates Say Radio Rosary

By Staff Correspondent

For the first time in the history of the nation, a Rosary broadcast from a penal institution was heard from the Chapel of St. Don Bosco at Elmira Reformatory, Saturday night, December 28.

The Rosary program was acclaimed as a great success with many messages of congratulations received from different parts of New York State and Pennsylvania. The Rosary was heard over a major network originating on WELM, Elmira.

It was very impressive to the listeners, to hear and recite the Rosary with the inmates of the Reformatory. Inmate leaders recited the first half of the prayers and the responses were given by the inmates.

THAT SUCH a program should originate from the Elmira Reformatory was made possible through the cooperation of the Rt. Rev. Magr. Francis J. Lane, Reformatory Chaplain, and Col. Leroy Weaver, Superintendent of the Reformatory.

The program was under the direction of the Rev. Albert L. Simonetti, pastor of St. Anthony's Church, Elmira, and Monsignor Lane. Father Simonetti explained the program, said the introductory prayers and meditations.

Monsignor Lane in explaining the activities of the inmates, said:

"That this broadcast should originate in a penal institution may be the cause of surprise to some and a source of bewilderment to others. If so, it may be because they do not understand the real character of the men confined in the institution.

"All between the ages of sixteen and thirty, admit that they made mistakes, yes, but who of us has not? In passing judgment upon others, our Divine Lord has said 'Let him who is without sin cast the first stone.' Would that we all had as sincere repentance for our offenses as these men who are assembled here in the chapel this evening.

"THIS BROADCAST is but a public exhibition of what takes place here in the Reformatory every day in the year. We have nearly four hundred men out of a Carle population of less than six hundred, who, answering the appeal of Mary, Queen of Fatima, have pledged themselves to say the Rosary each day in Her honor, for the conversion of sinners, the restoration of peace, and the conversion of Russia. Where will you find an equal record among an equal number of men—yes, and this is a penal institution?"

The above shows the love of a priest for his flock, who has devoted almost thirty years of his life in this penal institution, in the service of God.

The Rosary program of the Reformatory had the full approval and support of His Excellency Bishop Kearney. The Rosary is ordinarily heard each Saturday at 10 o'clock from the Shrine of St. Anthony's Church on WELM.

Total population in Elmira Reformatory is more than 1,300 inmates.

IN FIRST Rosary broadcast from a penal institution, is the scene above in St. Don Bosco Chapel of Elmira Reformatory. At the microphone table sit Monsignor Francis J. Lane, Reformatory Chaplain, and Rev. Albert L. Simonetti, program director. Inmates around table recited the first half of the prayers while other inmates in pews gave the responses. Broadcast on Dec. 29 was in the Family Radio Rosary For Peace of Rochester Diocese directed by Rev. Joseph A. Cirincione.

Eastern Rite Christmas Midnight Mass Broadcast Set For Ukrainian Catholics

The Eastern Rite Christmas Mass to be celebrated according to the Byzantine-Slavonic Rite of the Catholic Church will be heard from St. Joseph's Church, 303 Hudson Ave. on Station WVEF (1280 kc) this Sunday, Jan. 6.

Highlighting the solemn liturgy, which is in the old Slavonic language, will be the a capella singing of a 65-voice mixed choir.

The Rev. Nicholas Wolensky, pastor of St. Joseph's, will celebrate the Mass. Born in Pennsylvania in 1913, he was ordained in Philadelphia in 1941 by Bishop Constantine Bohachevsky and was in the Chancery in Philadelphia for nearly 10 years.

Director of the choir is Professor Kyrilo (Gyri) Capanda, who came to the United States more than two years ago after nearly three years as a displaced person in a camp in Munich, Germany. More than half the choir are recent DP's.

UNLIKE THE Latin Church, which observes the Gregorian (New) Calendar, the Eastern Rite Church follows the Julian (Old) Calendar.

That is why, for the more than 600 families of St. Joseph's parish, Christmas Day will be Monday, Jan. 7—13 days later than that of "Western" or "Latin Rite" Catholics.

Other than differences in calendar, language and some ceremonies, the Eastern Rite Catholics are one with the Latin Church, in direct communion with the Pope in Rome, believing the same truths of Faith, receiving the same Sacraments and observing the same moral law.

ST. JOSEPH'S Church is one of 131 parishes in the Diocese of the Byzantine Rite (co-inmates). (Continued on page 2)

Trinitarians To Observe 25 Years With Card Fete

Entering their 25th year of work in the Diocese of Rochester, the Sisters of the Missionary Servants of the Most Blessed Trinity will have conducted for them their first benefit card party.

With His Excellency Bishop Kearney as honorary chairman, the card party will be held on Wednesday, Jan. 23 at 8 p.m. in Columbus Civic Center auditorium. A committee of lay persons is working with the Sisters in planning the party.

WHILE THE Missionary Servants have only a small Community in Rochester, their work is far-reaching and highly acclaimed for effectiveness.

At present, the Sisters are assigned to Annunciation, Holy Rosary, Mt. Carmel and St. Patrick's parishes. The Sisters assist the priests with religious instruction classes for children from the public schools and with Sunday school in some parishes.

In their special garb, they are instrumental in organizing lay people into apostolic groups which foster Catholic Action. Since these Missionary Sisters are called upon to work primarily with children, they must depend on the assistance of lay people.

In their 25 years of activity in Rochester, this card party is the first appeal they have made to the general public.

THE SMALL group consists of the following: Sister M. Anita, Sister Elizabeth John, Sister Helen Marie, Sister M. Joella and Sister M. Lucia. They reside at Christ the King Missionary Cenacle, 82 Prince St. Rochester. Other Cenacles are in Auburn and Lyons.

Heading the committee as general chairman is Mrs. Angelo Mastrella with Mrs. Leo Muckel as co-chairman. Assisting are the Misses Ann Francini, Adeline Cennamo, Rosaria Maurilio, the Madames Marco DiCesare, Lucy Longo, James McAviney, Joseph McGarry, Frank Shaughnessy, Adolph Winterroth, Charles Simmons and Martin Link.

New Library Chicago—(NC)—A new auditorium and library have been erected at the Catholic University of Nagoya, Japan, through the financial assistance of American benefactors.

HEADS of other lay organizations, of men and women, with their delegations, federal, county and city officials, prominent business and professional men and members of families will go to the episcopal residence on Sunday.
