AMONG WOMEN

To Brides-to-Be

By MARY LENNON SMYDER

'For all those planning to be married I recommend a booklet called "Marriage," the second Fides Album in a series of rotogravure booklets on liturgical themes, published originally by Les Editions du Cerf, Paris, and translated and adapted in the United States by Fides Publishers, Chicago.

Under the heading "The Wedding Invitation" we find, "Christians parents give a completeness to the wedding invitation. They do not ask merely 'the honor of your presence at the marriage of their daughter,' but they request your participation at the Mass when their daughter Anna Marie and John Philip are united in Christ through the sacrament of Matrimony."
