

Show how much you care

Every family has its troubles—some are pretty big. A father drinks. A threatening eviction notice. A confused youngster, heading toward delinquency. The Red Feather offers help. Family counseling, in time, can guide . . . protect . . . bring peace to the family soul.

FAMILY SERVICES

No parents? An invalid mother? A broken home? The Red Feather must act promptly to save the children. Adoption for some, a foster home, St. Joseph's Villa and Day Nurseries care for the rest—with your help!

CARE OF CHILDREN

In the quiet days of memory, she thinks of the family she outlived, the home no longer hers. Now, will it be a dingy, lonely boarding house—or dignity and comfort at St. Ann's Home for the Aged? YOU decide.

CARE OF AGED

Billy wants no more of that medicine—he's getting well in the Red Feather hospital your gift to the Community Chest helps provide.

HOSPITALS

Health for us all through cancer and heart research, supported by the Community Chest . . . through the work of Red Feather agencies for the handicapped . . . health for babies, for old folks, in the capable hands of the Visiting Nurse.

HEALTH

Hearty appetites, happy kids—these youngsters are our richest possession. The Scouts, the "Y", the Settlements offer fun and training in useful citizenship . . . all through these important growing years.
