Camp Villa Maria Accepts Registrations For Girls

By MARY E. FITZGERALD
Executive Director, Catholic Family Service

Camp Villa Maria offers an ideal camping experience for any Catholic girl and a conscience-satisfying vacation plan for her parents. This camp, however, is especially recommended for the younger girl who is leaving her parents for the first time and for older girls who are not interested in the added features of larger camps.

The proximity to Elmira, the well qualified staff and the absence of the usual camping features which are sometimes terrifying to the little one who is threatened by homesickness should attract many six and seven year olds. The Directors of the camp are proud of their 1951 record which was highlighted by the unusual achievement — "Not one case of homesickness".

BEGINNING WITH June 23 applications will be accepted from campers in the surrounding communities, but preference will be given to Elmira girls until then, unless the capacity of the camp is reached at an earlier date.

Appointments to positions as Counselors are almost completed and will be announced within a few days. Parents will then be assured of the carefully selected supervisors to whom they will entrust their children during the vacation period.

Girls from six to thirteen will be accepted and the camp dates are August 10th to 29th.

First Indian In 60 Years Is Graduated By New York School

For the first time in its 60 years as a school for grammar and high school boys, New York City's St. Ann's Academy in 1952, graduated a descendant from one of America's oldest families — Hummingbird, an American Indian.

CHOSEN BY the Rev. Bernard A. Cullen of the Marquette League for Catholic Indian Missions (289 Fourth Ave., New York 10, N. Y.) for a scholarship, Hummingbird has proved himself to have been worthy of the choice. Brother Lawrence, principal of St. Ann's Academy said during the Commencement exercises, "Hummingbird has been an exemplary student and has won the respect and affection of his teachers and fellow students."

Despite unusual honors the Indian lad has been zealous in his duties as a Catholic youth. In 1950 Air France selected him to represent American Youth in a trip to France and Rome, where he was granted audience by the Holy Father.

Last February he became the star of Son of the Eagle, a Dumont TV show which is seen on Channel 5 — Monday to Friday from 5:00 to 6:00 p.m.

Hummingbird's parents, Mr. and Mrs. Juan Jaramillo, fullblooded Tiwas, flew from Santa Fe to attend their son's graduation exercises. Juan is the major domo of St. Catherine's Indian School conducted by the Sisters of the Blessed Sacrament in Santa Fe.

John Piorkowski, supervisor of the Fourth Ward of Auburn was present as a special guest of the society.

In his talk, Mayor Nelson said in part: "Today has been set aside to do us honor as fathers—to pay us tribute as fathers, but it is more fitting that we accept our gifts and honors with humility and use the day as we commence it — by rededicating ourselves to carry out our responsibilities to the best of our ability — as citizens of this great nation — as fathers, ourselves, and as children of Our Lord."

Exterior Painting Starts On Auditorium-Gymnasium

Seneca Falls — Work of construction of the new Auditorium-Gymnasium for St. Patrick's Parish has progressed to the painting of the exterior of the building. Guard rails at the entrances, doors and windows have been placed in position and the building will be ready for use in the near future.

Ground was broken by Rev. John P. O'Beirne, pastor, early last winter and in spite of the cold weather, the building workers continued their labors.

Necessity for the new building arose when registration in St. Patrick's School rose to a point where the present school building could not accommodate the youngsters eligible to attend. When the fall semester begins the space now used as an auditorium in the school will be converted to class rooms, as needed.

The exterior of the gymnasium is now being painted a bright yellow and presents a pleasing appearance and addition to the parish property.
