### 60 Diplomas Presented By Bishop At DeSales High

Geneva — His Excellency Bishop Kearney told sixty graduates of De Sales High School that "we need Faith in this present day... because we live in a day when there is so much unfaithfulness."

Salutatory was given by Catherine Elizabeth McCann, a 16-year-old girl in the class sang "To Christ the King."

Rev. Raymond P. Nolan, principal of De Sales High School, presented the graduates and awarded honors.

## GOD LOVE YOU!

By MOST REV. FULTON J. SHEEN

SUPPOSE as you went to the Communion rail next Sunday, you noticed five Communist "pickets" taking your name to report you for persecution. Would you still go? A missionary Bishop reported this as actually happening in China. If our Chinese brethren risk their lives, will you not sacrifice a movie, or a luxury to help the Holy Father help them? ... GOD LOVE YOU to Mr. C. A. K. who sacrificed bread every morning for about two years to make reparations for sins and sends \$5 to the Holy Father's Missions. ... GOD LOVE YOU to C. R., eight years old, in the third grade, who sacrificed \$1 of her own money to send to the Holy Father's Missions. ... GOD LOVE YOU to M. V. S. who sends \$1 and writes: "I'll walk to Church this week and perhaps some soul will learn of God because of my little sacrifice." ... GOD LOVE YOU to Mrs. J. E. P., a convert, for her sacrifice for the training of native seminarians.

We want prayers for the 1,100,000,000 pagans in the world. The best way to remind yourself to do it, is to give up \$1 worth of taxi ride, or dessert, or luxuries and send it as an offering for a World Mission Rosary—with each decade dedicated in a different color to a missionary continent. Send in your request along with your \$2 sacrifice and we will send you one blessed, by me. ... If you tell us how old you are, we will tell you how much interest we will pay you on an annuity for the Holy Father's Missions! You will feel younger if you remember the Holy Father's Missions in your WILL.

At Chengtu, China, 40,000 Communists attended the trial of 5 Sisters who were accused by a 16 year old girl of killing 120,000 children in their orphanages which the Sisters operated for the poor for 45 years. Later on, they were marched through the streets, carrying placards bearing their name and city, and crime. Did the Communists know that Our Lord had to do the same. His placard read: "Jesus of Nazareth, King of the Jews." ... At the "Public Trial" the Communists piled a table high with dry bones of animals which they collected from a butcher shop, and several bowls of some liquid they called "marrow" and offered it as grotesque "evidence" that the 4 nuns who conducted the orphanage were guilty of "cannibalism." At another "trial" in a theatre in Tashien, the same "evidence" was presented to sustain the charge of "cannibalism" against 4 Sisters. One of the French Sisters, a distinguished surgeon and M.D., graduate of the University of Paris, grabbed one of the bones from the dish of the Communist judge and shouted: "This is the thighbone of a pig! Haven't you brains enough to tell the difference?" The judge grumbled saying: "These missionaries are not like the Chinese, their heads are too hard, you can't change them!" No! It is not their heads that are hard, but their faith!

What does all this mean to you? Are you going to put down this "God Love You" column saying: "Interesting", or since Our Lord and His Sacred Mother are suffering again in the world, will you not want to feel their agony as your own? The only way you can do it is by a sacrifice that "hurts" to a point where you feel their pain as your own. Your sacrifice we give to the Holy Father. He in turn gives \$6 to the suffering, feed your sacrifice to the Most Blessed Virgin J. Sheen, National Director of the Society for the Propagation of the Faith, 106 East 10th Street, New York 16, New York, or your Diocesan Director Very Rev. Msgr. John S. Randall, 58 Chestnut Street, Rochester, New York.

### Bishop Confers Diplomas At Holy Family High

Auburn — His Excellency Bishop Kearney conferred diplomas and awards at the 19th annual commencement of Holy Family High School, Sunday, June 22 in the parish auditorium. The class was presented by the high school principal, the Rev. William E. Davis, M.A.

(Photo on Page 7) Addressing the graduates Bishop Kearney said in part: "This is an age in which we have been shocked by various kinds of infidelities." He also congratulated the parents of the graduates and thanked them for their generosity, "which has made their success possible."

The valedictory was given by William Raymond Smith. "Taking 'Faith' as the theme of his commencement address, Bishop Kearney referred to Sunday as the Feast Day of St. John Fisher, Bishop of England, who 'knew what faithfulness meant.' St. John Fisher was put to death because he refused to recognize King Henry VIII as head of the church of England. His last words were the motto of the present graduating class: 'In Te Domini Speravi.' (In Thee O God Have I Hoped)."

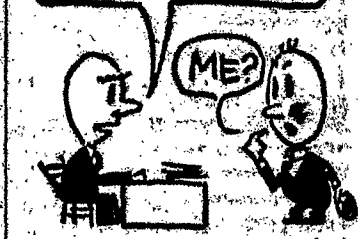

LAUDING the priests and sisters for the work they are doing at De Sales High School, he recalled the opening day of their High School program, when they attended Mass in St. Stephen's Church. "Prayers were said then that your hopes would be realized, as they have been today," he continued. Commenting on the need for "faith" in this day, he called attention to the "lack of faithfulness" in public office in family life, and in other facets of the national and world picture.

Closing hymn was "Alma Mater," followed by the recessional "March Pontificale" by Philip G. Kreckel. James Lynch was organizer for the graduation program.

You will have to put up a bond

When this time comes for you—

Yes, the day may come when you will have to put up a bond.

We, of course, don't mean a jail bond. But there are dozens of other kinds of bonds anybody may sometime need.

You may need a bond when you are appointed administrator of an estate, or an executor or a guardian. Or a bond to guarantee court costs if you sue somebody, a "replevin" (repossession) bond to protect the sheriff if he retakes something you've sold, or an attachment bond if you want him to seize property. Or you may have to give a contract bond, if you are going to put up a building for somebody.

Just keep us in mind for the day when you may possibly need a bond.
