By HOWARD F. HEATH  
CYA Program Director

Beginning of the Columbus Youth Association Day Camp program and finale of the Parish Softball Leagues are major items of interest at the CYA these days.

The Day Camp program is just now rounding out its second week with 210 youngsters taking part each day.

TRIPS TO several of the city's large industrial plants (chiefly log cream and candy factories), trips to the air port, city parks and zoos, city beaches and of course our own special camping grounds where cook-outs are held, have taken place.

### 6 Scouts Leave St. Boniface For 5,000 Mile Tour

Highly excited, six members of Crew 1, Explorer Scout Post 200, St. Boniface Church, Rochester, set off on a 5,000 mile motor trip of Canada and the United States on Saturday.

The boys, ranging in age from 14 to 21, are supervised by Milton V. Schaefer, 261 Cypress St., post adviser, and a pioneer in boy scout leadership in St. Boniface parish.

Schaefer and Fred Jansen, 678 Melgo St., explorer adviser are driving the duffel-crammed cars.

OTHERS ON tour are: Donald Drexler, 14, 154 Caroline St.; John Stageman, 16, 566 Mt. Hope Ave.; Clarence Schlegel, 15, 5 Walton St.; Robert Pagano, 709 South Ave. and Thomas Muar, 36-34 Caroline St.

The boys planned to receive Holy Communion each Sunday of the trip as they assist at Mass in complete uniform wherever they may reach. They will tell the parish priest where they are from and what they plan to do on the next Sunday.

Their trip took them to North Bay, north of Toronto and westward to Saul Ste. Marie, then they will go to Yellowstone National Park. On the return trip they will have a day of sightseeing in Chicago.

THE BOYS have been planning this trip for a year. They have earned funds by selling newspapers and candy, some worked as pinboys. Estimated cost of the trip is \$150 a piece.

The boys took four two-man tents, cooking utensils and sleeping bags. They will do most of their own light cooking, but plan on eating some of their dinners out. They will camp at state and national parks or in Scout camps whenever possible.

In the fall, it is planned to begin a cub program in St. Boniface parish which will round out the complete program. The parish has an outstanding Scout troop and Explorer post.

### Belkirk Hornets To Meet Mandells Sgt.

Smearing from a 3-4 peasting pasting administered by the Mandells Sunday, the Belkirk Hornets are readying their usually potent bats for a return fray with the Druggmen Saturday night under the Bay View Stadium lights. Game time is 8:30.

Sparked by Tommy Castle, who had no trouble figuring the delivery of Belkirk's ace Paul Lopez, the Mandells scored a single run in the initial inning and added two more in the sixth frame. Castle had a double and three singles for a perfect night at bat. Joe Malone landed well for the winners, granting only five hits to the losers.

### All-Star Game Set July 23 By Laker Parochial League

Geneva — A Laker Parochial League All Star game between players from St. Francis and St. Stephen's schools of Geneva and St. Patrick's, Waterloo will be staged at Geneva's Shuron Park, Wednesday, July 23.

Plans for the game to be played under the arc lights were announced today. Marty McNulty, coach of St. Stephen's during the regular league season, will act as head coach of the Geneva All Stars. He will be assisted by his brother, Jim McNulty, who was assistant coach also at St. Stephen's during the season, as well as by Bill Dallon, ex De Sales High outfielder and Sgt. Al "Goose" Gagner of the Sampson Air Base. Both Dallon and Gagner were assistant coaches at St. Francis this season.

Gene Giovannini, coach of St. Patrick's of Seneca Falls will be head coach of the St. Mary's-St. Patrick's team. He will be assisted by Guido French, coach and Bill Borden, Sr., assistant coach of the St. Mary's Waterloo team.

SENECA COUNTY All Stars will boast Bill Corey, St. Patrick's star pitcher who will be seen in action during part of the game. Corey pitched his Seneca Falls team to the state Kiwanis Grasshopper championship a year ago. St. Patrick's won the Lakers

League trophy in the recent pennant race, while St. Mary's of Waterloo won the playoff honors. Phil Trunzo, St. Francis's star pitcher, who broke his arm earlier in the season, will undoubtedly see limited action in the game, as his arm is about healed. Prior to that accident, Trunzo had a total of 125 strikeouts in 9 games that he had pitched. Trunzo possesses amazing speed for a 14-year old youngster and opposing batters always feared him. John Greco, St. Stephen's ace pitcher will undoubtedly see plenty of action, as he is also a longball hitter.

The grade school players will use the regulation 90 foot base paths, as well as 60 foot pitching mound. In league games, the distance has always been 82 feet, and a 55 foot pitching distance to home plate. The All Star game will go 9 innings instead of the customary 7 innings. A large crowd of adults are expected. Interest in this All Star game already is great and rivalry, keen.

IN SOFTBALL, after a close finish and several divisional ties, Holy Trinity School of Webster emerged as victor in the grade school division. St. Bridget's won a 7 to 3 decision ball game over Mt. Carmel for top honors in the High School division.

Again as in the grammar school division, there were many ties to be played off before division leaders could be determined to play in the championship playoffs.
