

Familiar Scenes...

DURING HIS FIFTEEN-YEAR career as Shepherd of the Rochester Diocese, Bishop Kearney's countless public appearances have made him a familiar figure to hundreds of thousands. Typical of his official role are these scenes of cornerstone layings, dedications of church institutions, and as celebrant of Pontifical Masses.

PHOTOS IN LOWER right of page recall the Bishop's tireless support of the nation's patriotic effort during World War II. He is shown bidding God's speed to diocesan priests entering the Armed Forces as chaplains; celebrating a Pontifical Field Mass for thousands of fighting men of Sampson Naval Training Station; and greeting Catholic nurses serving in the Armed Forces.

LOWER PHOTOS ON left of page recall the Bishop's traditional appearances at diocesan school graduations; his presentation of awards to student winners in the Bishop's Oratorical Contest; and his presence at the Corpus Christi Procession at the Cenacle.
