Reds Take Cemeteries

Berlin — (NC) — Christian cemeteries still existing within the Soviet Union are being gradually abolished, according to reports of refugees arriving from these areas. No Christian symbols can be seen in the new state burial grounds, they declare. The graves are marked by black triangular monuments topped

by a red star. Christian cemeterles are completely neglected, with crosses toppled over. In some cases marble monuments have been removed to use them for the graves of communist offi-

-A number of cemeteries have been transformed into parks or children's play grounds, the refugees report.

'Poor Sisters' To Receive \$2,325,000 From Trust Fund
