Bowling Aquinas Five To Meet Erie Cathedral Prep At Arena
Spurred by the field goal record of Ronnie Mack, the Aquinas Institute basketball team is prepared to down Cathedral Prep of Erie at the Sports Arena, tonight, Friday, Jan. 30.

Cathedral Prep is considered one of the best high school teams in Pennsylvania. Their attack is built around a 6'4", 230 pound center, James Fahey who can move, having scored an average of 18 points per game.

Height will be the advantage for Erie as their first five men average 6'2" and a battle between Ron Mack and Jim Fahey shapes up as the highlight of the year.

In 1944, Joe Cultrane of Aquinas scored 35 points against Batavia High. Mack threw in baskets from all sides to run up a total of 44 points on 320 field goals and four free throws. So thrilled was the crowd at his performance that in the last three minutes they cheered every time he handled the ball.

Tonight's game will be a great preparation for the Aquinas-Franklin game scheduled next Friday at Franklin. The following week the "Little Irish" play Madison at the Sports Arena.
