Father Heisel who served as chaplain of Rochester and Elmira Councils, K. of C. before the second World War recently returned from a second tour of duty as a U. S. Army chaplain. He will succeed the Rev. C. Richard Nangle, assistant pastor of St. Peter and Paul's Church.

AT THE DINNER Bishop Kearney said: "The recalling of the memory and work of Abraham Lincoln is a most appropriate introduction to Brotherhood Week.

"Abraham Lincoln is one of the great apostles of the dignity of man and the brotherhood of man. For the preservation of the ideals of Lincoln and the other great Americans of the past, the union of all men of good will, irrespective of creed, color or national origin is necessary for our country at the present time."

Principal lay speaker Koch said: "The world today superficially evaluates its present crisis as a political, social and economic problem. Our neo-pagan analysis gropes for a master plan of human equity. They are blind to the fact that the present crisis is basically moral and religious. It is the soul of society that is sick."

In tribute to Lincoln he said: "Theavior of our country had the courage to turn to God for divine guidance and assistance."
