

### GOD LOVE YOU!

By MOST REV. FULTON J. SHEEN.

The world is one vast Golgotha and we celebrate an Easter. What a paradox! How justify a Christ rising in the glow of the morning and Christians dying in the blackness of the night.

The answer to the paradox is this: Christ by His Cross and resurrection has overcome sin, death and evil in principle, but we have not overcome them in fact until we appropriate His Holy Will through sacrifice.

He overcame sin and evil in principle, for the very worst thing that sin can do is to kill God, for that is sin in its essence. Sin is essentially anti-God. The Crucifixion is therefore the final act of sin.

When sin did that, by nailing Him to a cross, it exhausted itself; it was sin's utmost, its dying gasp. But though sin had done all that it could, the Son of God had not done all that He could; rise from the tomb where sin interred Him and evil governments stood guard. The Resurrection, therefore, was sin's defeat.

From now on sin could bomb cities, persecute religion, and torture women, but it could never do anything so wicked again as the crucifixion of the Son of God. Having been defeated in its mightiest deed, it could never be victorious again, for the devil's worst was conquered by God's best.

But though Our Lord overcame sin in principle, sin is not overcome in fact, because we are free. A scientist may discover an infallible cure for disease, but free men may reject it. The good news of redemption may be eternally broadcast from the empty tomb, but we are all free not to tune in on its saving grace.

Given perfect love on the part of God and the freedom to rebel on the part of man and you have historical tragedy.

The image of the Crucifix is still over the altar even in the Mass of Easter. We bid you out of love for the scoured hands of Christ to make a sacrifice to the poor pagans in Africa, Japan or India. You are wearing your new Easter outfit; the poor want one too—the inner garment of God's grace.

GOD LOVE YOU to Mrs. J. E. M. "Enclosed is \$5 which I had intended for a new hat but my old tan or babushka will do when I think of such a wonderful cause. The sacrifice becomes a joy." GOD LOVE YOU to Mrs. C. S. F. for \$2. "I find myself for each time I bit my fingernails and promised to send the money to the Missions." GOD LOVE YOU to Mrs. S. S. "Enclosed is \$10 which represents a mission sacrifice out of my annual bonus check." GOD LOVE YOU to M. M. and Friends. "Enclosed is \$2 which we earned having a puppet show for the Missions." GOD LOVE YOU to Mrs. C. R. "In thanksgiving I am sending \$10 to the Missions out of my brut pay in ten months." GOD LOVE YOU to M. A. N. "This is what I saved by not buying an extra dress. I'll make my others do for the welfare of the needy." GOD LOVE YOU to A. A. and E. E. "My sister and I are sending \$2 for the Missions to help some baby have a little more to eat." GOD LOVE YOU to D. P. for \$2.50 which he received from the sale of two prints.

Do you have a World Mission Rosary? This Rosary will help you to remind yourself to pray for the Missions of the world. At your request and a \$2 offering to the Missions, we will send you one blessed by me.

Cut out this column, pin your sacrifice to it and mail it to the Most Reverend Fulton J. Sheen, National Director of The Society for the Propagation of the Faith, 100 East 58th Street New York 16, New York or your Diocesan Director, Very Rev. Mgr. John S. Randall, 84 Chestnut Street, Rochester, New York.

### 20% More Ads Seen In Press Directory

New York—(NC)—A 20-per cent increase of space advertising by Catholic Press Association members in the 1953 edition of the Catholic Press Directory is expected by Msgr. John S. Randall of Rochester, N. Y., chairman of the CPA directory committee. Monsignor Randall said that 30 pages of ads were taken by CPA members in the 1952 directory and attributed the anticipated increase in advertising to the success attained in securing space contracts for Catholic publications. He said: "We have had categorical reports from members whose listings alone have produced space orders." The Monsignor also pointed out that no increases were made in space rates in the 1953 edition despite added publication costs.
