

73 AGENCIES BENEFIT... by your gift

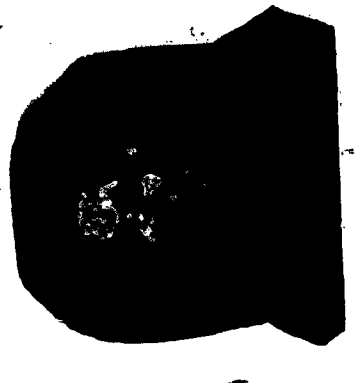

Your one gift...once a year...goes to 73 different agencies. It helps the underprivileged...the old...the sick...the crippled...the homeless. It also helps your children and mine by helping support the Girl Scouts, Boy Scouts, YW and YM. Yes, we all benefit...all Monroe County benefits. And, because of the Community Chest, we give once—once a year and 73 Red Feather agencies benefit. Look at the agencies pictured here. Think of them and the job they do when you make your pledge. Then give enough to feel good.
