

New Name Given To John Fisher Hall At Nazareth Honors Founder of Order

The name of John Fisher Hall, Nazareth College dormitory, has been changed to Madalle Hall, the Rev. William H. Shannon, college chaplain, announced at a High Mass on the Octave of the solemnity of St. Joseph Wednesday. The college administration had been considering the change for some time, he said, to distinguish the place more clearly from St. John Fisher's College.

Confusion with such things as mail delivery had been common since the establishment of the nearby men's college because of the similarity of names. The dormitory, largest of four on the Nazareth campus, is located at 695 East Ave.

Madalle—pronounced Mad-DIE-uh—was chosen to honor the founder of the Congregation of the Sisters of St. Joseph who conduct the women's college.

GOD LOVE YOU!

By MOST REV. FULTON J. SHEEN

COME people love themselves too much and end up hating themselves. Others do not love themselves enough and are often unhappy. The latter may be materially generous, but they never do anything for souls. They may give a drink of cold water, or plant in the name of God. Rarely do they think of saving souls or planting the Church in foreign soil.

This spiritual lapse is because they interpret religion in terms of generosity rather than repentance. Expectance implies that we love our soul so much that everything becomes secondary to it.

Repentance faces two ways: one bemoans the past, the other burns with zeal for the future. A true Catholic may weep over the past, but his eyes are not so blurred that he cannot hope for greater love of the faith in the future. Using the present as a pivot, we make up for the past by a sacrifice; we look to the future by putting that sacrifice where it will do the most good.

Time does not blot out our sins. When you make reparation through a sacrifice keep in mind two truths: (1) do it in union with Our Lord who died on the Cross for your sins; (2) do it for the noblest motive, namely the extension of the redemption to the other peoples of the world. That is why we suggest giving it to the Holy Father's Mission Society for the Propagation of the Faith. Your sacrifice then is an act of faith because we send it to the Holy Father; it is an act of hope for it accrues to the conversion of souls; it is an act of charity, for you then love yourself as you ought—with the love that radiates from Calvary.

GOD LOVE YOU to M. B. for love-salting for four weeks to sent \$17 to the Missions. . . . GOD LOVE YOU to L. C. for \$5 part of a fund intended to buy new axes. . . . GOD LOVE YOU to L. S. for \$10, the money that was to be used for a coat. "I really didn't need the coat but I know the Missions need it." . . . GOD LOVE YOU to Mrs. E. F. "Enclosed is \$5. I had been saving for something special that I couldn't otherwise afford. As I was reading MISSIONS wishing I could send something, I remembered this time I could for this is that 'something special' I had been waiting for." . . . GOD LOVE YOU to J. S. K. for \$2.25 which he saved by doing without snacks at work. . . . GOD LOVE YOU to Mrs. J. K. who sacrificed going to the movies to send \$5 to the Holy Father's Mission. . . . GOD LOVE YOU to J. E. H. "Enclosed is \$15 for the Holy Father's Missions which represents extra earnings made by singing at weddings." . . . GOD LOVE YOU to R. E. F. "Enclosed is \$4 for the Missions. I need some new tires and started to save for them, but thought the Missions needed the money for a better cause. . . . GOD LOVE YOU to E. M. S. for \$5. "I earned this trimming trees and doing odd jobs in the neighborhood." . . . GOD LOVE YOU to M. C. L. "Enclosed is \$5, a gift from my husband, which I am sending for a special intention."

Praying for others brings favors more quickly than if we pray only for ourselves. The wider the circle of your prayers, the greater your charity. The most worthy of causes is to pray for the 1,100,000,000 pagans in the world who know neither the Sacred Heart or the Immaculate Heart. To do this properly, you need a World Mission Society which will send you at your request and a \$5 offering to the Missions.

Cut out this column, pin your sacrifice to it and mail it to the Most Reverend Fulton J. Sheen, National Director of the Society for the Propagation of the Faith, 100 East 39th Street, New York 18, New York or your Diocesan Director Very Rev. Magr. John S. Randall, 50 Chestnut Street, Rochester, New York.

Our Sincere Congratulations to the Most Reverend Lawrence B. Casey

This School Serves Two Parishes

Parishioners Unite To Help Remodel Interior Of Mt. Morris Parish School

By FRED REUBENKIN

Mt. Morris—Work has started on what is hoped will be a complete remodeling job to the interior of St. Patrick's School on Stanley Street in this village according to the Rev. Robert H. Fennessy, pastor of St. Patrick's parish.

Within the past few weeks the men of the parish, working in their spare time, have painted the entire basement and refinished the floors and woodwork. New fluorescent fixtures replaced the old light fixtures and new equipment was donated for the kitchen. New curtains were placed on all the windows in the large recreation room.

EVERYONE HAS had a hand in making the improvements to date. The Sisters and students of the school and both men and women of the parish have contributed to the work. Men and women of the Assumption parish also donated time and money to the project.

All the class rooms will be painted and new light fixtures installed this summer. Plans are being made to install a new heating plant and to remodel the auditorium in the near future.

Work will be done as funds are available. St. Patrick's School was built in 1910 and 1911 when the late Rev. Dr. Andrew E. Breen was pastor of St. Patrick's parish. The building cost in the neighborhood of \$60,000 and at the time it was built it relieved the village of Mt. Morris of building a \$10,000 annex to the public school.

WHEN THE school was built, most of the labor was given by men of the village and it is said that Father Breen himself put many hours of labor working on the structure. The building is made of blue stone purchased from the quarries near Portageville and it is the only building of its type in Western New York.

The main floor of the building has the class rooms and the principal's office. These rooms have been refurnished within the past few years and new clear glass windows have replaced the old frosted glass windows that were installed in 1910.

The school was first opened for classes on Monday morning September 11, 1911, and the first class was graduated in June 1912. The Sisters of St. Joseph have served as the faculty of the school since it was first started. The convent for the Nuns was opened in the summer of 1911.

CHILDREN FROM both St. Patrick's parish and the Assumption parish attend the school and the present registration is 185 students in the eight grades and kindergarten.

With additional teachers the school can accommodate about 300 students. Children of the Catholic faith attending public school are given their weekly religious instructions at St. Patrick's school.

Mt. Morris can be proud of its parochial school that has served the community for the past 42 years.

Charitable Program Aided Of CDA At Fern Yan Dinner

Fern Yan—A woman's organization should be devoted to works of charity and not merely function as a social group weighted down with red tape. This advice was given by the Rev. Dr. John A. Reddington, assistant pastor of St. Ambrose Church, Rochester in addressing 100 members attending the 23rd Annual Banquet of Court St. Michael No. 1173, Catholic Daughters of America on Wednesday, April 22 at Benham Hotel.

Father Reddington was presented by Mrs. Evelyn Worble who also presented the Rev. Edward J. Foy, assistant pastor who spoke on the Easter Season, preparation for the Pentecost and Feast of the Solemnity of St. Joseph.

MRS. THELMA Reilly, grand regent, opened the program with a welcome to all attending. "Man is the protector and woman, the source of love in the family life, thus man is the head and woman, the heart," Father Reddington told the Catholic daughters.

He urged them to try to widen the scope of their charitable activities, to have definite aims and to remember that the success of the organization depends upon a program of giving by each Catholic Daughter. The speaker urged the group to set a specific goal with each member donating a certain amount of time per month to charitable activities; to have tender concern for elderly persons, a charitable work that can be done only for the love of God. He urged practice of faith and

to have charity in heart. The entertainment consisted of Mrs. Ellen Sawyer leading the singing and appearing in a solo. Mrs. Helen Tibbitt, solo; Mrs. Marion Miller, solo; Mrs. Nady Cabaro, Italian songs; Mrs. Margaret Highway, piano recital.

Banquet arrangements were in charge of Mrs. Nady Cabaro, general chairman, assisted by Mesdames Anna Veragay, Jane Tanze, Nancy Falco, Alex Carozan, Helen Tibbitt and Miss Elizabeth Prendergast; reception committee, Mesdames Anna Lyons, Augusta Tunney and Lilian Zwolinski.
