NEW And NOW

Polls are usually dull statistical affairs, but we recently made one involving grammar-school children that is a bit of an eye-opener. In a class of over fifty pupils, young team-agers with average scholastic ratings were given a questionnaire to record their impressions regarding movies and the Legion of Decency. WE FOUND THAT 200 per cent of the class unflinchingly check with the Legion of Decency before attending the movies. There were 9 definite "no" answers, 13 said "sometimes," 7 "most of the time," and 2 "usually."

Grey Cooper and Bert Lancaster. To the question regarding their favorite actress, Doris Day and Maureen O'Hara tied for first place by great odds, followed by Anne Shirley and Jane Powell. All the other Hollywood stars received 2 or 1 vote each. Among these, Jane Russell received two (1) and Margaret Truman got 1 (1?). One 12-year-old gave Claudette Colbert as favorite actress, surprising in that Miss Colbert was a favorite of the previous generation.

Senior Play Staged At De Sales High

Genera — Followers of the radio and television versions of "Our Miss Brooks" were better prepared than the rest of the audience for the hilarious pace of the De Sales High School senior play, "Our Miss Brooks," Thursday, May 21, in the school auditorium. The brisk comedy about the fictional school teacher, who can get in and out of scrapes gracefully and adroitly, kept the audience in high humor.
