pupils to parochial schools more but specified that sufficient tend."
than eight miles from their

Deputy Commissioner James E. Allen, Jr., dismissed an appeal filed by John Geary of East Aurora, Erie County. A spokesman for the Department said similar appeals pending before the Department also would be diminsed "if the circumstances are the same!

MR. GEARY appealed to the his school district had refused on July 8, 1952, to provide his daughter with transportation to Mt. Mercy Academy, a parochial school in Buffalo. The academy Voters in three other western is about 12 miles from his home. New York central school districts last July also turned down proposals to pay the cost of transporting parochial school pupils beyond the eight-mile limit, Mr. Geary and one taxpaper from ach of the other districts asked Mr. Allen to reverse this action. Mr. Allen noted that the State Education Commissioner had "consistently held over the years that the legislature never intended that a school district be reguired to furnish transportation for markeonable distances government also built a new against the wish of the voters of that district."

har to be M.C. from the state of the state o

He said the Commissioner had ruled "many years ago that a large groups of foreign pildistance of more than eight miles approached an unreasonable levil." The eight-mile figure, he said was not arbitrary, but "constituted the general average of transportation being provided by the affirmative vote" of school taxeyers throughout the state.

MR. ALLEN added: "Parents do not have the right under the statute to choose a school at such a distance from their homes that the taxpayers will be required to meet an undue tax burden in order to pay transportation of the children. The voters determine under what circumstances they are willing to pay for transportation." Kevim Kemnedy, attorney for

Education Department taxpayers. He argued that the for all the children residing ruled here that a school district State Education Law made no within the school district to and is not required to transport reference to an eight-mile limit from the school they legally at-

Turks Plan Postage Stamps To Honor Assumption Dogma

Rome - (RNS) - Vatican circles expressed "satisfaction" with the Turkish government's announcement that it will issue Denartment after taxpayers in two series of postage stamps commemorating the feast of the Assumption on Aug. 15.

The Assumption, which was defined an article of faith by Pope Pius XII during the 1950 Holy Year, teaches that the incorrupt body of the Blessed Virgin was taken up into heaven shortly after her death where It was united with her soul. One of the stamp series will

show the Blessed Virgin ascending into heaven, the other the house in Ephesus, Asia Minor, where the Blessed Virgin is traditionally believed to have lived for a time.

Turkish suthorities encouraged the refurbishing of the shrine at Ephesus and gave a substantial financial grant. The road to the pligrimage center for the accommodation of tour-
