**GOD LOVE YOU!**

By MOST REV. FULTON J. SHEEN

Why bother with heathens and pagans? They are no concern of the Church. All men are Christ's sheep. Though some know nothing of His name, He says: "Other sheep I have that are not of this fold. Them also must I bring... and there shall be one fold and one shepherd."

The scum of our cities, the starving in Indian villages, the leprous in pagan Africa, all these are Christ's. Our Lord pictures them as "going astray" not as "gone astray". They are wandering but irretrievably lost. They are rather like silly sheep that kept concentrating on a tuft of grass until finally they got caught in the brambles of sinful habits and the thorns of error.

Our Lord regards every soul that does not love Him as a loss to Himself. The Divine Heart goes out after lost property. Think of it, these billion pagans He considers as lost out of His sheepfold because they have forgotten to love Him.

Suffering in union with Our Lord, our 100,000 missionaries leave "the ninety-nine sheep" namely, those countries where the Church is established, and go in search of pagans. Because they are not with Christ, the Christ-like love of the missionaries go after them until "they find them".

That is where you come in! The Holy Father has to assign missionaries to foreign fields; He has to set up camps to nourish the starving sheep, schools to educate them and chapels wherein they may adore their shepherd.

Think what one sacrifice does! It is an act of faith in the Vicar of Christ to whom your offering goes through His Society for the Propagation of the Faith; it incorporates you with Christ on the Cross by a sacrifice of a luxury or part of your capital; it begets merit for your eternal salvation through saving souls that otherwise would be lost.

**GOD LOVE YOU to the following:** to K. A. C. "Enclosed is \$100, part of an amount intended for a rainy day, but every day is a rainy day for the Missions."... to J. J. L. "This \$10 was sent to me, but being I am in Korea and in no need for it, I thought the Missions could put it to good use."... to Mrs. F. M. for \$5. "When my son was born I was upset because he received no silver cup. I was going to buy one, but decided he would enjoy milk just as well from a plain cup when there are so many children with nothing to eat or drink."... to V. D. "I am enclosing \$5 that I was going to put away in the bank but thought it could be used feeding the poor starved children."... to M. A. M. for \$3. "In our family we have begun the practice of passing a bank for the Missions at the main meal each day. We thank God for His goodness to us by giving something for His poor children in other lands."... to Mr. and Mrs. W. B. "The enclosed \$15 we give in thanksgiving for a very happy marriage and many other blessings."... to Mrs. E. C. J. "This \$5 represents money won in a drawing. I am sending it in thanksgiving for favors granted."... to F. P. G. "I have become 24 years of age, the 24th of July and am sending \$24 to the Missions."... to J. W. P. "Enclosed is \$4 which I would have paid to my cleaning woman. She didn't come so I did it myself."... to Mrs. N. M. "My husband gave me this \$10 for new clothing, but I can't help thinking of the poor priests in foreign lands who need help so badly."... to Mrs. A. K. T. for \$10. "This was originally intended for a couch cover, but I'm sure the Missions can use it to a better purpose."

Take out an annuity in the Holy Father's Society for the Propagation of the Faith. Write for particulars. Send us your request and a \$2 offering for the Missions, and we will send you one of our marvellous World Mission Rosaries.

Cut out this column, pin your sacrifice to it and mail it to the Most Reverend Fulton J. Sheen, National Director of the Society for the Propagation of the Faith, 109 East 34th Street, New York 15, New York or your Diocesan Director Very Rev. Mgr. John S. Randall, 56 Chestnut Street, Rochester, New York.

**Pro-Football Charity Game Given College Grads Backing**

College alumni of various area institutions are joining in the support of the pro-football exhibition game of the Pittsburgh Steelers and Baltimore Colts for local charities on Wednesday night, August 26 at Aquinas Memorial Stadium, Mt. Road Blvd.

At a meeting of St. Bonaventure University alumni, Mark H. Tjoehy, president called upon his fellow alumni to lend their support. Several St. Bonaventure former football players are Steelers and Joe Bach, coach was the former St. Bon Coach.

The game with profits to go to such charities as Muscular Dystrophy, Multiple Sclerosis, Cerebral Palsy and the School of the Holy Childhood is being sponsored by Rochester Council, Knights of Columbus.

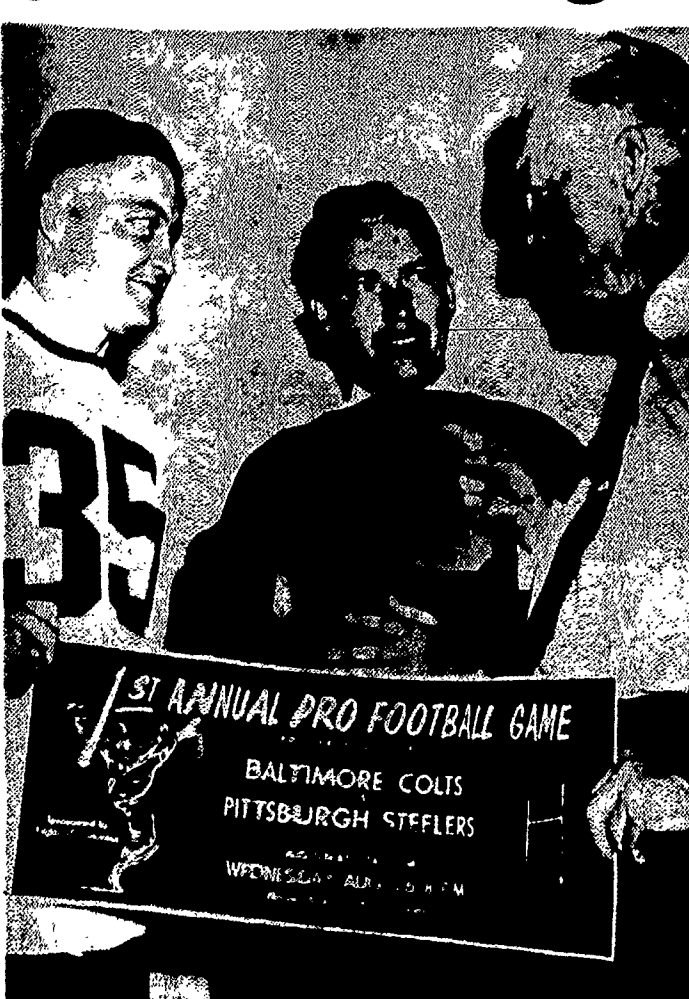

A colorful pregame ceremony in charge of Raymond J. Hasenauer, music director of Aquinas Institute will precede the contest at the Stadium. A mass presentation of the colors of Monroe County Veterans of Foreign Wars will be made under the direction of J. Mallory Loos, VFW county commander.

Twenty boys from VFW football leagues also will march in the pregame ceremony which will conclude with a salute to the colors and playing of the National Anthem by the Grey Knights.

As the game approaches Head Coach Keith Moleworth of the Baltimore Colts is whipping his team into shape and the Colts board of strategy is seeking to maintain the bare minimum of 44 men in uniform for the coming season.

Moleworth is known in this area not only as a football coach but also for baseball prowess having played with the Baltimore Orioles in 1934 and 1936 and the Syracuse Chiefs in 1937 in the International Baseball League.

**St. Felix Units Finance Hall Fun**

Clifton Springs — The Holy Name Society of St. Felix Church and the Rosary and Al. Church are financing work at St. Felix Hall, Main St. This included the removal of the long stained glass windows and having shorter plain glass windows put in their place.

The new windows will not only let in more light but will also make the building easier to heat.

The building was originally the Universalist Church and was constructed in 1852. It was purchased by St. Felix parish in 1922 to be used for social events. It was rededicated inside last year and also freshly painted on the outside.

The floor of the main room is in the process of being sanded and refinished which will complete the repair work.
