GOD LOVE YOU!

By MOST REV. FULTON J. SHEEN

A MOSLEM has no difficulty in reading the Koran religiously at the same time that he keeps four wives and several concubines. A Buddhist is not troubled in his conscience by paying inadequate wages to his employees and daily burning incense before a statue of Buddha.

If Our Lord died in a soft bed, He might have been honored as a great teacher, but never a Saviour. Here is an interesting fact. Those who are most sacrificing for the Missions are those who have and revere a crucifix in the home.

The death of Our Lord on the Cross was the sublimest exhibition of His love for mankind. The "death" to ourselves by doing without a luxury, or cutting into our capital to help the Holy Father's Missions is the noblest expression of our love for "all men."

GOD LOVE YOU! To the five young members of the C. Family... V. L. J. and M. who since the death of their little sister made sacrifices of all their spending money which amounted to \$25.27 and brought it to our office for the Holy Father.

There is no conflict between church and state as some might think, the editorial asserted. "Let all the ministers in this city and area bring God to school. There is no reason in the wide world why there cannot be a few extra minutes allotted to the teaching of God's word at the opening of each day in school.

Pay for the five missionary continents on a World Mission Rosary. At your request and a \$2 offering to the Missions, we will give you one of these rosaries blessed by me.

Put out this column, plus your sacrifice to it and mail it to the Most Reverend Fulton J. Sheen, National Director of the Society for the Propagation of the Faith, 109 East 34th Street, New York 101, New York or your Diocesan Director, etc. Rev. Magr. John S.
