AMONG WOMEN
Moving Spirit or Ghost?

By Mary Lennon Snyder

Looking up some recipes I had received when a member of the Erie County Home Bureau, I got out the folder which contained the newsletters of the group.

I finally found the recipe. Ironically, it was not what I wanted after all; however, my research was not time wasted because in turning the pages of material sent out by the Home Bureau I re-lived a phase of our lives now happily behind us.

I have almost forgotten all the makeshifts we homemakers tried out during the war years with sugar shortages and shortening and meat rations. I think I shall keep these recipes as a memento of a phase of our family life.

PERHAPS SOMEONE, long after I am gone, will treasure these as I do my mothers' copy
