## Land Acquired For New Owego Mission Church

By HELEN A. BROSMAN  
 Owego — Purchase of a tract of land in the area of Apalachin, for the erection, at a future date, of a mission church, which will be under the direction of St. Patrick's in Owego.

Title for the new land was transferred to St. Patrick's Church Corporation, of which the Rev. William J. O'Brien, is pastor. The lot, purchased from Wilbur Van Riper, is located on the Apalachin-Little Meadows road. It has a frontage of 200 feet and a depth of approximately 650.

PLANNING FOR a new church in Apalachin, has become necessary because of the large increase in the Catholic population in that area. Plans for the building of the church and breaking of the ground will be announced at a later date.

Work on the plans for the project were begun by the Rev. Michael L. Hynes, a former pastor of St. Patrick's, before his transfer from the parish, last February, to the chaplaincy at the Dominican Monastery, Elmira.

## Catholic Family Service Speakers

GUESTS OF HONOR at the 24th Anniversary Catholic Family Service Banquet in Mark Twain Hotel, Elmira, confer before the program, Monday. In photo (from left) Monsignor William J. Brien, Elmira dean; His Excellency Bishop Kearney; Mrs. Marie Killilea, guest speaker; Miss Mary E. Fitzgerald, executive secretary of the Service and Attorney John D. Frawley, toastmaster.

## Sense of Responsibility Needed To Stop Communism, Mrs. Killilea Says

Warnings of the menace of Communism in our American land only 1% of the people were Communist, the speaker continued, "if we, who have the Truth, had the zeal of those who are trying to destroy our country, we would not have these problems. We believe we have the right things, we believe we are a spiritual nation but in the final analysis—the Republic of America has become a Republic of materialists."

Quoting from an article appearing in a Communist magazine of several years ago, Mrs. Killilea told how the article stated that Senator McCarthy was the greatest menace to the "Party" and they coined the phrase, "McCarthyism" a phrase now used by statesmen, columnists and many others, a phrase coined in Moscow.

She told about the Community Chest in her hometown. One agency, "The Child Guidance Agency" a Director of which is a Dr. Goodman who has been associated with 83 different Communist Agencies. The American Legion brought it to the attention of the Chest a year ago.

The people of her town refuse to contribute while the Chest supports Communism or at least one of the strongest arms that Communism has.

"We are all bad Americans, asleep, apathetic, indifferent. Most of us don't know how bad we are. How many know that there are 100 Communists working in the New York Times. They have infiltrated into Radio and Television which has a big influence on children and teenagers.

"We must protest things that are anti-American if we are to make ourselves heard. Their work does not require large numbers. 'It is the Typhoid Marys of Communism who do the harm.'"

In her concluding remarks Mrs. Killilea said: "We must take care of ourselves physically and spiritually but this will be absolutely valueless if we are not diligent and active in protecting our Country from those who would destroy it. If you do not, your child will not be free, he will not be free to work in our system of free enterprise, but most important of all he will not be free to worship in his Church or Synagogue. One day you may have to look into the eyes of your own child and say 'Too late have I loved it.'"

HIS EXCELLENCY Bishop Kearney expressed deep concern over the work being done by Communists in communities referred to by Mrs. Killilea. The Bishop said, "It is an alarming thing that the speaker here tonight has presented to us in her message, a peaceful community has been shattered by a radical group gaining control of the community. We have been spared this — she has lived through it."

The Bishop stressed the seriousness of the things that do away with our ideals and referred to the fact that Mrs. Killilea has seen these things on her own door steps — has seen them up set a fine American Community and "I pray that God will bless her to carry on a fine American Apostolate — a fine American tradition."

Concluding Bishop Kearney stated that, "a country is good when it preserves a deep sense of the Presence of God, but when it loses the sense of the Presence of God it is doomed."

AT THE SPEAKERS table were introduced by Attorney John D. Frawley, executive chairman of the agency's board of governors. They were, Bishop Kearney, Mrs. Killilea, Rev. Frederick W. Bush, Ray Hulbert, Rev. Hubert A. Bisky, County Judge John A. Matthews, Mr. James Killilea, Rt. Rev. Msgr. William J. Brien, V.P.; Rev. L. Emmett Davis, Rev. Arthur C. Ratigan, Mayor Emory Strachen, Recorder Daniel J. Donahoe, Miss Mary R. Fitzgerald.

Miss Fitzgerald, executive secretary of the Catholic Family Service, presented the annual report. Joseph McNamara was general chairman.

Cardinal Wysinski Lourdes, France — (NC) — Constant prayers for His Eminence Stefan Cardinal Wysinski, Primate of Poland, and persecuted Catholics behind the iron curtain were said here during the Rosary Pilgrimage led by Archbishop Joseph Martin of Rouen.

Daily Newspaper New York — (NC) — Father Priestroy Sora, Latin-American priest and journalist, announced at Fordham University that La Union Catolica, a Catholic daily newspaper, will be established at Quito, capital of Ecuador, early next year.

## Fall Festival Set 2 Nights For French Church Benefit

Plans for the Fall Festival of Our Lady of Victory Church are rapidly rounding into shape with prospects for one of the most successful social events in the church's recent history.

After several organizational meetings the week-end preceding Thanksgiving Day, Nov. 21, and 22, was selected for the two day Social. Committees were formed and are busily engaged in arrangements of booths and selection and preparation of the various goods and wares.

THIS WILL BE the first time since 1950 that the "Little French Church" has held an event of this kind and it is hoped that many of the former parishioners will return to join in the two day celebration.

The committees have designed the festival to provide enjoyment and entertainment for all with gifts, games and prizes for every member of the family. Refreshments will also be served.

Rene Vanzaulen will serve as chairman of the event, with Lester DeYager and Anthony Heaney serving as his assistants. Other committee members include Margaret and Julia DeYager, Bob and Mary Lou Hall, Alice Vasmatazis, Bertha Veroden, Jerry Willie, Joe De Volde, Don Godin, Herbert Muhs.
