THE MAN IN THE HATHAWAY SHIRT ... you've seen him in magazines with his familiar eye patch. Our artist gives his own interpretation of the gentleman. But no amount of interpretation and writing on our part can tell what only YOU can discover when you see, feel and wear a Hathaway. The difference is in the superiority and distinction of the imported and domestic fabrics. The fuller body requiring 3 whole yards of cloth. The stitching on the coller, front and cuffs (so close it is nearly invisible). The one-piece sleeves. The near square cuffs and French front. The meticulous custom care in every appointment. These and other details add up to the finest-looking, finest-fitting shirts you can wear. Hathaway!
