Students To Study Church Unity

AN EXTENSION PROGRAM for the Chair of Unity League at St. John's Atonement Seminary, Montour Falls is here being planned by (from left) Very Rev. Alexander Beaton, S.A., Fr. Pacificus Von Essen, Thomas Brown, John Hunt and Robert Cummings.

Chair Of Unity League Begins Extension Program

Montour Falls — Plans for a Chair of Unity League Extension Program were approved at the November meeting of the League in St. Joseph's Atonement Seminary here.

Purpose of the League is to increase the knowledge of the unity problem among students for the Atonement priesthood, and to foster a desire for the accomplishment of this great work in the hearts of the seminarians.

The Extension Program is an outgrowth of the League work. Its aim will be to acquaint outside school students with the Unity vocation of the Society of the Atonement and to encourage them to work and especially to pray for the effective fulfillment of Christ's urgent prayer "That they all may be one."

This object that the League members have set for themselves will be achieved through the formulation of the Extension Constitutions, a series of outline discussions relating to Unity and a small monthly bulletin called Key Notes that will highlight unity news.
