## GOD LOVE YOU!

By MOST REV. FULTON J. SHEEN

THE Zulus once the most warlike of all African tribes are per missionaries anoint them on deathbeds, they ask for prayers that they may die. When asked: "Don't you want to live?" their answer is: "My faith tells me I shall be happy with God when I die. Why should I want to be away from perfect happiness?" Their attitude is something like St. Paul who said: "I desire to be dissolved, to be with Christ." The uncertainty of judgment is one reason why we are so reluctant to die, but the Zulu trust in God's mercy is so great it makes him fearless of Divine Judgment.

Another African people, the Kikuyus, will never offer of give a gift with one hand. To them, one-handed giving signifies only half the heart. When they receive Communion, they stretch out both hands to indicate their total self-oblation. To attend Mass and Holy Communion they often walk twenty miles through swamps putting their clothes on their heads as they wade. The priest on sick calls must do the same.

The joy of being the servant of such people is indescribable. We once thought it humbling to beg; now we regard the tin cup in our hands as a badge of honor. We pray that your faith may be as simple as the Zulus and as two-handed as the Kikuyus. As much as we of The Society for the Propagation of the Faith love these tribes, we send them nothing personally. We beg for the Holy Father and he as Chief Shepherd, makes the distribution. It is a good thing we do not send aid directly; our heart might run away with our heads. But when the head and heart are those of the Vicar of Christ, we know he does not err in charity as he does not err in truth.

Instead of saying "I love you" say "God Love You" on Valentine's Day. In this way you may include the poor in the Mission lands and honor Our Blessed Mother whose every day is "Valentine's Day" because she is always thinking of you and those in Mission lands who have never known the love of Christ for men. For a \$5 sacrifice and your request, we will send a sterling silver God Love You medal; for a \$10 sacrifice and your request, we will send you a gold filled medal.

You can be a right handed or a left handed missionary. Even though you cannot personally go to the Missions, by sending the Rosary you can be a spiritual aid to missionaries and help bring souls to Christ through our prayers. The best way to do this is to use a World Mission Rosary which we will send at your request and a \$5 offering.

GOD LOVE YOU TO R. J. for \$15. "I was able to get some extra work and promised the Missions \$5 from each check. It always makes me happy when I can help the Missions." ... to J. M. Corp. for \$105. "We obtained this money thru the 'no cushion club' in our office." ... to G. F. "I saved this \$4 to buy a 'Toni' doll." ... to D. O. for \$311. "I saved this from tips on my paper route." ... to C. K. for \$5. "A friend of mine made a small doll and suggested I chance it off at work and forward the proceeds to the Missions." ... to G. L. K. "I am enclosing \$100, a birthday present to me in return for a gift you granted to me." ... to D. T. for \$10. "I promised this to the Missions if an operation was successful and I could go to work in the usual number of weeks." ... to E. R. "I gave up a newspaper I thought I couldn't do without. It cost \$4 a week and this \$15.60 represents the year's subscription in advance." ... to F. B. "Enclosed is \$2 which I won from a contest. Would like to ask your prayers for my mother whose general health is bad." ... to G. C. for \$8. "I saved this money by giving up the mid-morning coffee snack."

Cut out this column, pin your sacrifice to it and mail it to the Most Reverend Fulton J. Sheen, National Director of The Society for the Propagation of the Faith, 140 East 38th Street, New York 17, New York or your Diocesan Director Very Rev. Msgr. John S. Randall, 34 Chestnut Street, Rochester 4, New York.
