GOD LOVE YOU:

By MOST REV. FULTON J. SHEEN

L'VERY Sunday of the year we read Mass for all our missionaries throughout the world and for all our friends who make sacrifices for our Holy Father's Society for the Propagation of the Faith. What a consolition the Consecration of that Mass for the Missions gives our hearts so saddened by the tragedies of the Church in China. As the Father spared not His Own Divine Son on the Cross and in the Mass, then neither shall we spare ourselves to enjoy the glory of the Resurrection.

The Cross demands the Crown; then shall not China, and those who aid it be assured of the Crown because they live close to the Cross? The more we look backward to the Cross, the more it flings its light into all the dark places of the Communist world and brightens up the heavens with all the glory that streams from

It is odd, but it is true, that the only lovers of the Missions are the lovers of the Cross; no one will dony himself a luxury or make a sacrifice for the Missions, who has not lived close to the Cross and the Consecration of the Mass. Some day our beloved readers who send us their sacrifices will drink in their glorified humanity, the premised our filled with the new wine in the Kingdom of heaven they have helped to fill with souls from pagan lands.

GOD LOVE YOU to J. W. G. for \$8, "Recently I bourght a store and purchased a bubble gum machine and every penny that goes in the machine I will send to the Missions." . . to A. S. for \$10. "This is the money from my very first job. Please give it to the Missions with my love and prayers." . . to I. V. for \$25. "Please scept this check for the Missions — a small reparation for a wrong I did to my mother-in-law." . . . to M.J. D. "Enclosed is my tardy check for \$50 in tulfillment of a promise to send \$5 to the Missions from each pay check and \$5 extra for a special help last summer. double the amount I expected In gratitude, I am sending the Missions half of this \$91.35" ... , to M. K. for \$30. "Every pay day I try to put \$20 in my savings account. On reading MISSION magazine I decided that my heaversly bank book needed a deposit, so here it is: '... to J. B. Enclosed Is \$20 I estruct from jury duty and which I think the Missions need more than P. Z. "Enclosed please find \$125 one tenth of an inheritance I received as a part share of the family sestate." . . . to K. F. "Enclosed is \$100 which I promised if I sold my house. The deed was closed last night." . . . to A. S. "Enclosed please find \$4.50 which I earned cleaning the church,",

There are five million people, of all since shapes and ages, who read MISSION—a magazine which we call and publish six times year, It is a little magazine but good things come in small packages, and MISSION as alled with good things. In MISSION you will find pictures; carboom, factual information and last but not least, many impiring spiritual messages. If you want to bring joy to every member of the family six times a year, send in your name and address with your request and
