

Tennis, Archery Classes Included In CYA Program

Branching out into new fields, to make its program more varied and complete, the Columbus Youth Association is planning to add two new courses.

Enthusiastic tennis fans, and those interested in archery, will be happy to learn that a six week course in tennis and archery will be given by the Columbus Youth Association beginning early in May.

Tennis classes will be held on Wednesday evenings beginning on May 5 at Columbus Youth Association gymnasium, from 7:30 p.m. until 8:30 p.m. Two inside tennis courts have been provided for these classes.

THE LESSONS will be offered at a total of \$6.50 for the six week course.

Archery fans will be able to improve on their aim, or perhaps learn how to aim, during a six week course in archery, which will be held on Tuesday evenings, beginning on May 11, from 7:30 p.m. until 9:00 p.m. These classes will be held in the Columbus Youth Association Auditorium.

Registration for these two classes is now being accepted at the C.Y.A. Program Office, 50 Chestnut Street. For information regarding this new program, call BA 7400-Ext. 11.

More Than Wares

The motor vehicle, in the hands of careless, unthinking and sometimes unqualified drivers, has killed and maimed more Americans than any other invention, in which this nation has been engaged since its beginning in 1776.

'Muskeeters' Win Honors At Cadet Spring Inspection

Rivalry was keen between Muskeeters and Cavaliers as they competed for honors at the Spring Inspection of the Company of Cadets of Nazareth Hall Cadet School on Thursday, April 29. The Muskeeters won.

THE DECISION under a point system for appearance and drill was made by Commander Richard T. Falty, U.S.N., Professor of Naval Science at the University of Rochester and Captain William F. Dwyer of the United States Marine Corps. Mr. Robert Brickell, drillmaster, acted as recorder.

Addressing the Cadets, Commander Falty lauded both groups for their fine spirit and excellent demonstration. "We are living in a time when our country is constantly in danger, as you are in leadership, responsibility and discipline." The Commander urged the boys to continue to be faithful to their school, their country and their God.
