Sequel To 'Robe' Due At Palace

Hailed as one of the new season's outstanding productions, "Demetrius and the Gladiators" in CinemaScope and Technicolor and boasting a cast of thousands headed by Victor Mature, Susan Hayward, Michael Rennie, Debra Paget, Anne Bancroft, and Jay Robinson, will come to the RKO Palace in Rochester, opening on Wednesday, June 30.

When 20th Century-Fox producer Frank Ross started preparing "The Robe" for the screen he felt that the full magnitude of the story would require two full length pictures.

Working with Philip Dunne, who had written the screen-play for "The Robe," Ross came to the conclusion that since this first picture was essentially the story of the acquisition of faith, "Demetrius and the Gladiators" logically should concern itself with the trial of faith acquired, and describes this second production as completely different from "The Robe."
