Held In Manila

Marian Year Rites

Manila - (NG) - More than

20,000 persons from all walks

of life joined in Manila's first

public procession of the Marian

Year. Heading the procession

was a picture of Our Lady of

Perpetual Help, which was

borne from the historic Luneta.

to a new shrine of Our Lady of

Perpetual Help at the Redemp-

torist monastery in South Manila.

It was the first motorized re-

ligious procession in the city's

history. As a thousand cars and

buses joined in a motorcade es-

corting the float on which the

Virgin's image was placed,

crowds lined the route, chanting

hymns and prayers in honor of
