THERE WAS A SONG: It was called "Romona." There is a Sister Romola, who is a novice with the Holy Family Staters in a place that bears a long name, Kuzhikkattusery, South India. She has just ome year before she will be a completely professed nun, serving our poor. Can you give \$150, making her your adopted daughter and claiming some of the share in her great work for souls?

KINGS IN SOFT GARMENTS?

Our priests in the Holy Land send as plent for a casock, their black habit which they wear constantly. Each costs \$25. Modest if is, but it should be worthy. Our Lord said that those clothed in soft garments are in the houses of hims. No such do we sak for our priests. Please

ITALY OR ALBANIA! The Sisters of Saint Macrina were expelled from Albanian, in these from Gurtain days, and they now do the same work for the poor and the sick at Palme Adriane, in Southern Italy. Strangely emough, that part is still one of our missions. Your deposit in MARY'S BANK this menth will firely these exiles.

AUGUSTINE is a young student just beginning his path to the priesthood at St. Joseph's Seminary, Alwaye, India. He will need \$100 yearly for the next ex years. From poor but honorable parents, he must seek your help. If you can adopt him, we can assure you of the riches of heaven, for God has decided that without priests, the Church cannot move ahead. We must have more and more native priests.

MARY'S FEAST

August 22 is the special Fest of Mary's immaculate Heart, Our Lady of Fatima. We consider Saint Pine X her special Saint in this Marian Tear. Please do not torget your mite for his SHRINE CHAPEL, which we hope to build beyond the River Jordam.

UNKNOWN FEAST: In Palestine, the special Feast of Our Lady of Palestine is celebrated on the Sunday within the Octave of Our Lady's Assumption. You do know that hundreds of thousands of Palestine's people are living under tents, homeless and hapless. If you can send \$10 for a food package, ask us to send you our reautiful picture of "Our Lady of the Near East."
HERE IS CHARITY

We call them "Cribe" after the Crib of Bethlehem.
They are really, femilian hespitals, where our
Sisters of Charley receive these tots and keep them,
year after year. Just \$7 a month will rear these homeless unfortunates and the Lord and His Mother will bleise you for belying to guard them. We have two "Cribs," one in Belrut, Lebanon, and the other in Betinlehem, Palestine. You open the door of the lun for the Divine Babe by the small-est thought of these homeless ones.

Precious is the STRINGLESS GIFT with which we can occur at once to our needlest cases, for which we do not have time to appeal. This month we are hoping to help the Carmelite Fathers of Tripoli, Lebanon, who have sent us an ungent plea for a thousand dollars to help their orphans. We shall put a prayer on this appeal.
