Racing Resumes At Canandaigua Track

Closed for six weeks because of the County Fair and excessive heat which caused a drop in attendance, the Ontario County Fairgrounds will reopen for stock car racing under the NASCAR banner Sunday afternoon, promoter Jerry Earl announced.

Area pilots will resume their Canandaigua rivalry with a 50-lap feature grid—the qualifying test for the annual sportsman championship race at Lathrop, Pa., scheduled in October. The winner will automatically receive a starting berth in the national championship race. Racing will be scheduled each Sunday now as long as the weather permits.

Fifty or more other leading NASCAR drivers from all parts of the state are expected to compete. The first green flag will drop at 2:45, and the 50-lap chase will be preceded by three 3-lap heats, a pair of 10-lap semifinals and a 10-lap consolation race.

Lay Teachers Needed In Cities

Because of the shortage of vocations to the religious life on the part of Catholic young women, it now becomes necessary to employ lay teachers in practically all parochial schools in cities of any important size, according to an article in the parish weekly of Blessed Sacrament parish.

Moreover, because of the increase in attendance on the part of Catholic pupils in parochial schools, the employment of additional lay teachers becomes all the more necessary.

The cost of maintaining and operating such Catholic schools is becoming more and more serious. In order to keep our Catholic standards educationally high, greater effort and sacrifice will be required on the part of Catholic parents to make possible the operation of our parochial schools.
