Dear Fellow Citizens:

As the great Silver Anniversary Campaign opens, I want to publicly thank and express my great appreciation to the hundreds of volunteer workers who have done so much in the past six months to prepare for this solicitation period. Also, I want to thank the two thousand and more volunteers who are setting out today to conduct this gigantic campaign. I urge you to join with your neighbors and friends all over the County in giving generously and gladly. Help us make this Silver Anniversary Campaign a deserving success.

Sincerely yours,
