Mission Sunday Appeal — Oct. 24

My Dear People:

May I, once again, appeal to your generosity on behalf of the Society for the Propagation of the Faith and its world-wide program of service.

Every day of the week some young man or woman in a missionary organization of our Church leaves home and country to carry the gospel of Christ into areas

where the Holy Father has begged for the service of modern apostles. Their sacrifice would be a hopeless failure unless some one undertook to give the spiritual and financial help which they need for their work. On Mission Sunday the universal Church prays for these missionaries in millions of Masses over the world and asks also your prayers and your generous assistance in the Mission Collection for the Propagation of the Faith.

This year's collection comes during the Marian Year, a year dedicated to the special honor of the Mother of God. May I ask that, in her special honor, you give twice as large an offering next Sunday as you gave last year. Thus, you will be paying her a tribute of special devotion for her Marian Year and also helping to make her known to so many souls under the care of our missionaries who need so much her mother's care.

The generosity of our diocese to the Missions is one of our finest traditions. Let us preserve this honored tradition.

With grateful blessing, I am

Your devoted shepherd in Christ,
James E. Kearney
Bishop of Rochester

P.S.: The Mission Collection is to be taken up at all the Masses on Sunday, October 24.

ST. AGNES HIGH SCHOOL FOR GIRLS ROCHESTER, N. Y.

DEDICATION

The record of the accomplishments of St. Agnes High School for the past few years inspires us with great confidence in what the future will bring to realization. The added accommodations and the modern equipment will enable the Sisters of St. Joseph to write another impressive chapter in the story of the Community in this diocese. The new venture is a grand climax to a century of devoted service to the youth of this community. May this gracious little saint, who was the inspiration of my own childhood in the historic parish of St. Agnes in New York, win for her school the choicest blessings from the Greatest Friend of Children, for whose faith she gave up her young life.

Newfoundland Army officer Ernest Harmon of Phenixville has received 10 medals within a 5-hour period. His G. the Society for the Propagation of the Faith. In the year 1952, diocesan contributions to the missions totaled \$284,700.24.

Monsignor Randall issued the 1953 Propagation of the Faith report on the eve of the 1954 annual Mission Collection which will be taken this Sunday (Oct. 24) in all churches of the diocese. He also pointed out that Mission Sunday contributions last year amounted to \$78,502.50.

In a letter to the people of the diocese, His Excellency Bishop Kearney cited generosity to the Missions as "one of our finest traditions." The letter, read in all churches last Sunday, appealed for "spiritual and material help" for the modern apostles who serve the Church in mission areas.

THE BISHOP specifically requested a Mission Sunday contribution "twice as large as last year" as a tribute to the Mother of God during this year especially dedicated to her.

The Mission Sunday collection and other monetary gifts received during the year by the Propagation of the Faith Society are divided three ways, Monsignor Randall explained. He said that 51 percent of each dollar goes to foreign missions; 49 percent to home missions, and 9 percent to the Catholic Near-East.

MEMBERSHIPS in this Society are received on Mission Sunday. The Society has been termed the Pope's "Community Chest" for worldwide mission activities. Members receive Bishop Fulton J. Sheen's monthly illustrated magazine Mission.

Besides the Mission Sunday contributions, the 1953 report by Monsignor Randall also includes specially designated gifts amounting to \$60,772.8. A total of \$83,867.34 was realized through the Missionary Plan. This program allows each parish to give one missionary society. The report also includes \$17,502.50 provided through wills, and \$21,554.55 in Mass stipends attributed to missionary priests.

Children in the schools raised \$26,531.32 through the Holy Childhood Association. Miscellaneous income amounted to \$169.78.

Newark Archbishop Receives Pallium In New Cathedral

Newark, N. J. — (NC) — The solemn and colorful ceremony of the presentation of the pallium to Newark Archbishop Thomas A. Boland marked the formal opening of the newly completed Cathedral of the Sacred Heart here.

The rituals also marked the closing of the ceremonial year, the establishment of Newark as a diocese. It was given the status of a diocese a year ago and raised to an archdiocese in 1953. The pallium, which is a symbol of the authority of an Archbishop, was conferred upon Archbishop Boland by His Excellency, Archbishop of New York, Francis Spellman, at the Cathedral of the Holy Spirit in Newark, N. At noonday Mass, the captain made his First Holy Communion and at four o'clock he was administered the Sacrament of Confirmation by Bishop Michael O'Reilly of St. George. Egan, the eldest son, was one among a group of 53 others to be confirmed in the Base chapel. They included military personnel and their dependents, officers and enlisted men. There were 43 adults, all of them converts to the Faith, and two children.
