Geneva Fire Chief Marks 40 Years Of City Service

Geneva—Fire Chief Louis L. McGuigan, a past grand knight of the Geneva Council, Knights of Columbus, is here congratulated 40 years of city service last week. He became fire chief in 1924 after ten years of work in the water department.

He commented on the fine fire departments here in Geneva and praised the volunteers who make up the main roster and the paid firemen who drive the apparatus. "This department is the best group of fellows I know," he declared. "And I've seen a lot of firemen and departments in my day."

Chief McGuigan doesn't think in terms of fire. He believes in trying to stop them before they start, through fire prevention programs.

THROUGH THE YEARS he has preached fire prevention. He gives instructions at schools, makes home inspections and at places of business to eliminate fire hazards.

The chief has always plugged for modern fire fighting equipment. The city now is modernized with three up-to-date pumps and a 100-foot hook and ladder truck combination. The department also has an emergency truck which carries searchlights and first aid equipment.

Some of the worst fires Chief McGuigan recalled included the Prouty Block fire in 1925 and the Brennan foundry fire about that time.

Later blazes were the disastrous Middle St. fire in 1952 and the bad fire at the Tank Service Station when huge tanks of gasoline were endangered.

Father Hilbert's Mission Career Told In Book

New York City—Highlights in the long mission career of the Rev. Charles P. Hilbert, M.N., a native of Rochester, are reviewed in a new book, "The Meaning of Maryknoll." It was written by the Rev. Albert J. Nevins, assistant editor of Maryknoll, The Field Ajar.

Fr. Hilbert is the brother of Mrs. Karl Vogt of 249 Herald St., Edward J. Hilbert of 450 Fullman Ave., and James C. Hilbert of 146 Normandy Ave. He first went to the Far East, to the missions of China, in 1926. There he worked in the Diocese of Kaying under the late Bishop Francis X. Ford, who died in a Communist prison in 1952.

DURING HIS nearly 25 years in China, Father Hilbert proved himself to be a versatile missioner. When Bishop Ford organized an "apostolate" of the printed word, he made the Rochester priest editor of The New Southern Star, a monthly magazine written entirely in Chinese and distributed widely throughout the Far East.

In World War II, when conditions prevented Kaying's young seminarians from leaving the area to complete their studies for the priesthood, Bishop Ford set up a major seminary under the direction of Father Hilbert.

Within recent years, under the Communists, mission work in China has been halted temporarily. Father Hilbert returned to the United States in 1950, the same year that the Holy See asked Maryknoll to send a contingent to Formosa to take charge of a mission area in the region of Tainchung. Two years later a combination of circumstances called him back to the Far East.
