WITH all the persecution that is going on in the world today. If one wonders why Our Blessed Lord once more does not arrow open the vault of Heaven and speak to Malenkov, MacTas-bing, and the others, asking them the same question He saked Paul—Why dost thou persecute Me?" How could Paul persecute the risen, glorious Christ in Heaven? If someone there on your food does not your head complain? If the church the persecuted in China as Waven on Victoria in Christ Who is

Holes for poles

... electric poles, that is You see, this man is Richard H. Vaisey of the Rochester Gas and Electric's Line Maintenance Department. The machine he's operating is called a "posthole digger." When the hole has been dug, a new wooden pole, specially treated to resist rotting, is placed in it. Then, of course, electric lines are strung on the pole to carry electricity "for better living" to new homes in the rares. It's another step in bringing you low-cost, dependable electric service ... the biggest bargain in your family budget.
